**Why the Torah Begins with the Letter Beit** Michael J. Alter, 1998-08-01 Why does the Torah begin with the letter *beit* the second letter of the Hebrew alphabet? In seeking answers to this question Michael J Alter has gathered a wealth of material drawing from the Oral Law Mishnah and Talmud the Midrash anonymous kabbalistic texts and the works of many prominent rabbis scribes and writers spanning the past 2 000 years.

**The Second Coming** Youssef Khalim, 2007-01-01 On 5/2/2000 you are writing *The Resurrection of Noah* which is about how life works how the birth and death of souls works and what the Bibles say about reincarnation. Based on many verses in the Qur'an and the Bible you have a suspicion that the

Prophet Muhammad may be the reincarnation of Moses. You plan a meditation session a conscious though immobile state to research the matter. And you carefully formulate the question that you will ask. You successfully go into meditation. And you experience this. First there are the sights and sounds of mighty swirling winds and sand in the desert. Then the sands morph into a face. Is Prophet Muhammad the reincarnation of Moses? You ask. The winds stop swirling and the sands stand still. Of course it says. And you are amazed. In June 2008 you have a dream indicating that Barack Obama is the reincarnation.

*Our Beloved Kin* Lisa Tanya Brooks, 2018-01-01 With rigorous original scholarship and creative narration Lisa Brooks recovers a complex picture of war captivity and Native resistance during the First Indian War later named King Philip's War by relaying the stories of Weetamoo a female Wampanoag leader and James Printer a Nipmuc scholar whose stories converge in the

captivity of Mary Rowlandson. Through both a narrow focus on Weetamoo Printer and their network of relations and a far broader scope that includes vast Indigenous geographies Brooks leads us to a new understanding of the history of colonial New England and of American origins. In reading seventeenth century sources alongside an analysis of the landscape and interpretations informed by tribal history Brooks's pathbreaking scholarship is grounded not just in extensive archival

research but also in the land and communities of Native New England Jacket flap **Charisma and Christian Life** ,2001
