

Sample Test Booklet and Answer Document

1. Sample answer documents include an answer key and the instructions for marking the sample test pages as follows:

First, sample questions from English, Mathematics, Reading, and Science/Technology/Innovation tests are selected, being chosen to represent various levels and content knowledge. (Details about what will appear on the sample tests are listed.)

The questions (as well as the instructions) and the suggested answers for each question are included in the answer documents. The final answers are numbered to match the questions, and the order in which they are ordered is designed to be representative.

For each question, knowledge areas are listed at the top, then points on the answer document that have been considered are given as the question. These points are made to help you understand the sample answer. Answers include: (1) at the top, points, then at the bottom, points and then your mathematical work shown, and (2) at the bottom, points and your mathematical work.

Answers only are provided for each question. If you change your mind about an answer, simply mark your answer again. (Detailed instructions for marking your answer are given.) Sample questions, sample answers, and your work, in this order, are listed with the points marked on the question.

Only answers marked correct answer answers are shown. Your answer on each test will be marked correct on the question if your answer is correct. (Detailed instructions for marking the correct answer are given.) Your work, then, will be marked correct if your answer is correct. (Detailed instructions for marking the correct answer are given.)

Answers that are marked correct will be marked correct. (Detailed instructions for marking the correct answer are given.) Your answer will be marked correct if your answer is correct. (Detailed instructions for marking the correct answer are given.) Your work, then, will be marked correct if your answer is correct. (Detailed instructions for marking the correct answer are given.)

Only your answer is marked correct. (Detailed instructions for marking the correct answer are given.) Your answer will be marked correct if your answer is correct. (Detailed instructions for marking the correct answer are given.) Your work, then, will be marked correct if your answer is correct. (Detailed instructions for marking the correct answer are given.)

(2) For answers that are marked correct, your work is shown.
