American Express Amazon:

Fintech, Small Business & The American Dream Karen G. Mills, 2024-06-21 Small businesses are the backbone of the U S economy They are the biggest job creators and offer a path to the American Dream But for many it is difficult to get the capital they need to operate and succeed In Fintech Small Business one day the borrower is a dry cleaner and the next a parts supplier making it difficult for lenders to understand each business s unique circumstances Today however big data and artificial intelligence have the power to illuminate the opaque nature of a smallbusiness s finances and make it easier for them access capital to weather bumpy cash flows or to invest in growth opportunities Beginning in the dark days following the 2008 9 recession and continuing through the crisis of the Covid 19 Pandemic Mills charts how fintech has changed and will continue to change small business lending In the new fintech landscape financial products are embedded in applications that small business owners use on daily basis and data powered algorithms provide automated insights to determine which businesses are creditworthy Digital challenger banks big tech and traditional banks and credit card companies are deciding how they want to engage in the new lending ecosystem Who will be the winners and losers How should regulators respond In this pivotal moment Mills elucidates how financial innovation and wise regulation can restore a path to the American Dream by improving access to small business credit An ambitious book grappling with the broad significance of small business to the economy the historical role of credit markets the dynamics of innovation cycles and the policy implications for regulation this second edition of Fintech Small Business in fact to anyone who is interested in the future of small business in America
