Comments on Text Format

"The tools are nice to have at the tips of your fingers, able to highlight and take notes during the passage. But some of the questions revolved around the central idea of the text, making comparisons and searching for themes have proven to be difficult in the text. But I like the questions that make me go look in the text or simple reflective short answers. It was useful to not have to flip back to the text but harder to put your thoughts into words for some of the questions. It was similar formatting almost with Galileo but made it that much easier to navigate through it all."

"Tools seen in the test include questions buttons that help me find a question, save button that saves my answer, pause and end test buttons for when I'm finished with my test, line reader button that highlights a line of the text, a notes buttons that opens a note pad that allows me to take notes, a writing guide button that opens the AZ Merit writing guide, and a dictionary/ thesaurus button for when I need to look up a word. I encountered questions that had a document on the left and a prompt based
