**World Heritage Sites and Tourism** Laurent Bourdeau, Maria Gravari-Barbas, Mike Robinson, 2016-11-10 Not all World Heritage Sites have people living within or close by their boundaries but many do The designation of World Heritage status brings a new dimension to the functioning of local communities and particularly through tourism Too many tourists accentuated by the World Heritage label or in some cases not enough tourists despite anticipation of increased numbers can act to disrupt and disturb relations within a community and between communities Either way tourism can be seen as a form of activity that can generate interest and concern as it is played out within World Heritage Sites But the relationships that World Heritage Sites and their consequent tourism share with communities are not just a function of the number of tourists The relationships are complex and ever changing as the communities themselves change and are built upon long standing and wider contextual factors that stretch beyond tourism This volume drawing upon a wide range of international cases relating to some 33 World Heritage Sites reveals the multiple dimensions of the relations that exist between the sites and local communities The designation of the sites can create obscure and heighten the power relations between different parts of a community between different communities and between the tourism and the heritage sector Increasingly the management of World Heritage is not only about the management of buildings and landscapes but about managing the communities that live and work in or near them

**Narcomedia** Jason Ruiz, 2023-10-10 2024 Honorable Mention The Victor Villase or Best Latino Focused Nonfiction Book Award English Empowering Latino Futures International Latino Book Awards Exploring representations of Latinx people from Scarface to Narcos this book examines how pop culture has framed Latin America as the villain in America's long and ineffectual War on Drugs If there is an enemy in the War on Drugs it is people of color That is the lesson of forty years of cultural production in the United States Popular culture from Scarface and Miami Vice to Narcos and Better Call Saul has continually positioned Latinos as an alien people who threaten the US body politic with drugs Jason Ruiz explores the creation and endurance of this trope its effects on Latin Americans and Latinx people and its role in the cultural politics of the War on Drugs Even as the focus of drug anxiety has shifted over the years from cocaine to crack and from methamphetamines to opioids and even as significant strides have been made in representational politics in many areas of pop culture Latinx people remain an unshakeable fixture in stories narrating the production distribution and sale of narcotics Narcomedia argues that such representations of Latinx people regardless of the intentions of their creators are best understood as a cultural front in the War on Drugs Latinos and Latin Americans are not actually America's drug problem yet many Americans think otherwise and that is in no small part because popular culture has largely refused to imagine the drug trade any other way
