Service Manual

FOREWORD

This Service Manual provides the Service Technician with complete information for servicing the Dodge Vehicle models noted above.

The information is grouped according to the type of work being performed, such as diagnosis and testing, adjustments and overhaul. Special tools and specifications are also included in this manual.

All information, illustrations and product descriptions contained in this manual are correct at publication time. We do, however, reserve the right to make changes at any time without prior notice.

For information relative to ordering special service tools, or for additional copies of this manual, please refer to the instructions on inside back cover.

Product improvement changes requiring service information will be covered by a bulletin with effective point by serial number. This policy will permit your fleet to have a higher degree of standardization than has been possible in the past.
