Mirror Images Laurie Norlander, 2013-07 Laurie Norlander's debut novel *Mirror Images* was named the 2012 Grand Prize winner of the Women of Faith writing contest. They say seeing is believing. What if they're wrong? That's Maddy's dilemma when she sees her volatile ex-boyfriend at his identical twin's funeral. It's the first of many surprises as Maddy quickly discovers nothing is as it seems in the close-knit community of Churchill, Wisconsin. Despite lingering feelings for Nic, Maddy is skeptical of claims that his millionaire brother committed suicide. Her suspicions turn to horror when Maddy stumbles across evidence the man was murdered and Nic may be responsible. Maddy's search for truth plays out against the backdrop of small-town politics and a personal struggle with doubt. When a second tragedy tangles Maddy in a web of danger and betrayal, how far will she go to unmask the killer? *Mirror Images* is a riveting romantic suspense novel woven with insights on friendship, forgiveness, and the power of faith. After falling into depression, she decides to try adopting a child. An intimate meeting with a young birthmother results in the opportunity to bring home the child she has longed for, but Andrea is unprepared for the wave of emotions she feels for both the baby and his birthmother. Not long after her son arrives, however, Andrea realizes she still craves the challenge of her career. When she accepts a new position, she discovers that everything has changed and that finding good childcare is a full-time job. A menagerie of inept nannies parades through her door, but help is just around the corner when Andrea's craving for a second child begins.
