Can anyone truly absorb and deal with so much trauma over and over again? Blood Secrets Mark Terry, 2003-12-01 Blood Relatives Lori Carangelo, 2018-12-12

Investigation Discovery ID TV aired an episode loosely adapted as a partially fictionalized version of this book. Now read the REAL story. BLOOD RELATIVES proves that truth is stranger than fiction. This is a who-did-it with twists and turns and multiple murders you won't see coming. The characters and events are REAL including the mother who legalized abortion in America and her children who are caught up in complex family relationships resulting from adoption, abortion, incest, greed, corruption, and murders. Just as one may hand down a family recipe, this story which takes the reader from the 1960s to the present, the story provides an intriguing mix of Southern pride and prejudice, mystery, motives, and murders. Turn up the heat, stir in the action, add a pinch of reasonable doubt, allow to simmer, and feed your craving for a bloody tale. Blood Betrayal Sheila Johnson, 2013-11-11

The true story of the horrific murder of a mother and daughter in rural Alabama and the cop who wouldn't rest until she closed the case. Includes photos. The worst I've ever seen that's how Sheriff Cecil Reed described the July 7, 1995 slayings of Carolyn Headrick, forty-four, and her mother Dora Ann Dalton, sixty-two. The two were found in their home in rural DeKalb County, Alabama, where they'd been shot, stabbed, and even speared by a Native American-style lance. Randy Headrick, Carolyn's husband, was the beneficiary of \$325,000 in insurance money. But he swore he'd been at work when the murders were committed, and the police couldn't break his alibi. Headrick was a troublemaker who'd spent four years in a Texas prison for possession of a pipe bomb. More recently, he'd had an affair with a married woman, which his second wife, Carolyn, had discovered. The woman had later been harassed, and her house had mysteriously burned down. The police knew Headrick was bad news, but they just couldn't nail him on these murders. There was only one person who knew for sure if Headrick was the killer.
