- An oligopoly is a group of firms that have some power.
- An oligopolistic firm's ability to set price partly depends on the price of other firms' products.
- Oligopolies are often formed by firms that have some power.
- Oligopolies often have some power because they have some control over price.

• By January 2018, health and education authorities, including the Ministry of Education, will have developed a framework for the delivery of the curriculum, including the following:
