**Avoiding Policy Failure A Workable Approach:**

*Avoiding Policy Failure* Steven Wallis,2010-11-30 Wallis uses emerging metapolicy methodologies in case studies that compare successful policies with ones that have failed to gain new insights into why policies fail In addition to providing intriguing directions for research this book also suggests a bold new standard for evaluating policies     Fiascos in Public Policy and Foreign Policy Kai Oppermann,Alexander Spencer,2018-04-19 The collection brings together scholars from Public Policy and Foreign Policy to address the theme of policy fiascos So far research on failure and fiascos in both Public Policy and Foreign Policy has existed independent of each other with very little communication between the two sub disciplines The contributions aims to bridge this divide and bring the two sides into a dialogue on some of the central issues in the study of fiascos including how to define identify and measure policy failure and success the social and political contestation about what counts as policy fiascos the causes of policy fiascos and their consequences the attribution of blame as well as processes of learning from fiascos A common theme of the collection will be to explore different epistemological and methodological approaches to studying policy fiascos The volume appeals to scholars and practitioners interested in policy failures and fiascos both within and among states and other international actors This book was previously published as a special issue of the Journal of European Public Policy     Practical Mapping for Applied Research and Program Evaluation Bernadette Wright,Steven E. Wallis,2019-05-31 Practical Mapping for Applied Research and Program Evaluation is the first book to bring the mapping methodology to social research and program evaluation Bernadette Wright and Steven E Wallis guide readers through all phases of the research process learning from stakeholder experience reviewing existing knowledge in the field conducting new data collection such as interviews collaborating with other researchers and facilitating the use of knowledge for communication collaboration and action With plenty of illustrations and navigational aids such as travel tips the book is an accessible guide for busy students researchers and managers of all levels of experience     Evolution of the Post-Bureaucratic Organization Malizia, Pierfranco,Cannavale, Chiara,Maimone, Fabrizio,2017-01-05 Continuous improvements in business operations have allowed companies more opportunities to grow and expand This not only leads to higher success in increasing day to day profits but it enhances overall organizational productivity Evolution of the Post Bureaucratic Organization is a pivotal source of research containing integrated and consistent theoretical frameworks on post bureaucratic organizations multidisciplinary perspectives and provides case studies related to the critical aspects of the emergence of post bureaucratic organizations Featuring extensive coverage across a range of relevant perspectives and topics such as business ethics organizational communication and cultural perspectives this book is ideally designed for scholars PhD and post graduate university students managers and practitioners     Intercultural Knowledge Sharing in MNCs Fabrizio Maimone,2017-11-11 This book provides a systematic view of current and future research perspectives on intercultural knowledge sharing and offers a model for the growth of organizational knowledge in the digital age The author

puts forward multidisciplinary and multi paradigmatic approaches to offer an updated view on the best practices towards international management With insights on the opportunities and limitations of the use of digital and social media to facilitate intercultural knowledge sharing in business the book explores the evolution of research on the topic taking into account the consequence of glocalization as well as technological innovation and the evolution of organizational strategies and structures Intercultural Knowledge Sharing in MNCs will be of use to scholars of management and organizational studies as well as managers of international businesses interested in knowledge sharing as it delivers an invaluable model which aims to conciliate diversity and inclusion global and local knowledge technological innovation and humanism **Nuclear Safety Policy Working Group Recommendations on Nuclear Propulsion Safety for the Space Exploration Initiative** ,1993

Preventing violent extremism Great Britain: Parliament: House of Commons: Communities and Local Government Committee,2010-03-30 This report from the Communities and Local Government Committee HCP 65 session 2009 10 ISBN 9780215545466 looks at Preventing violent extremism For the Committee as delivered so far the Prevent programme has stigmatised and alienated those it is most important to engage and tainted many positive community cohesion projects Moreover the government s strategy to limit the development of violent extremism in the UK sits poorly within a counter terrorism strategy The Committee has set out a number of improvements for the Prevent programme and calls on the government to clarify urgently how information collected for the purposes of project monitoring and community mapping under Prevent does not constitute spying or intelligence gathering of the type undertaken by the police or security services
