Noel Brewer Yeatts

Awake Doing A World Of Good One Person At A Time

Richard Baxter

Awake Doing A World Of Good One Person At A Time:

Awake Noel Brewer Yeatts,2012-06-01 If we re being honest most of us live comfortable safe and relatively easy lives We enjoy a quality and ease of living that most of the world could not even imagine let alone pursue After all even the poorest people in America are amongst the top five percent of the wealthiest people in the world and the faces of those who suffer the most across the globe are distant and unfamiliar to us As we busily navigate the path towards the American Dream another dream has been forgotten the hope that what is broken in this world may be restored to its intended fullness The truth is we know we should help those less fortunate than us but the needs of the world are so overwhelming Where do we start Where can we make the most impact This compelling story driven book urges readers to open their eyes to the needs of a hurting world It is a gripping to the point challenge to get involved in realistic positive change one life at a time Building on more than twenty years of experience in humanitarian relief efforts and community development around the world author Noel Brewer Yeatts urges readers to realize that working to build a better world is not about guilt handouts or charity It is about justice compassion and personal investment She encourages readers to live a life fully awake and doing a world of good
