Daniel Meyer-Dinkgräfe,2013 The study of consciousness has developed considerably over the past ten years with an emphasis on seeking to explain subjective experience Our understanding of key questions relating to the performing arts in theory and practice benefits from the insights of consciousness studies Theatre Opera and Consciousness discusses selected concerns of theatre history from a consciousness studies perspective develops a new perspective on ethical implications of theatre practice reassesses the concept of the guru and offers a new approach to the actor's cool down The book expands the framework from theatre to opera and presents a new consideration of the spiritual aspects of singing in opera conducting for opera and the opera experience for singers and spectators alike *Performing Consciousness* Per Brask,Daniel

Meyer-Dinkgräfe,2010-02-19 Since its inaugural issue in April 2000 the journal Consciousness Literature and the Arts has regularly published essays on the intersection of theatre and consciousness Often these essays have seen theatre as a spiritual practice that for both the performer and her audience can bring about experiences that help heal the world a shift in consciousness This practice though spiritual is not ethereal but is rooted in doing in actions in breathing That is theatre is seen as an art form understood as part of a whole as taking place in total Consciousness as well as expressing consciousness es making both breathing a source of meaning and shamanic journeying part of the creative process that brings into being imaginative resources for the actor that undermines traditional understandings of character self ego All the pieces collected here then reveal a concern with consciousness and the theatre the ways that performance can be a spiritual practice a means a reaching higher levels of consciousness as well as the ways the theatre may have healing effects on audiences by engaging them in wider and deeper levels of imagination the levels where dualities disappear **Embodied Consciousness** J.
