Awakening Of A Jehovahs Witness Escape From The Watchtower Society:

Awakening of a Jehovah's Witness Diane Wilson, 2010-05 This tale of mind control the use of fear to manipulate vulnerable people and final escape from a suffocating cult environment is a revealing expose of a secretive contemporary sect as well as a true psychological thriller Diane Wilson spent twenty five precious years of her life first becoming indoctrinated by the dogma of the Watchtower Society and then struggling to free herself from its pervasive intimidating clutches In this probing brutally honest assessment Wilson describes how a childhood of psychological abuse and lack of self confidence rendered her vulnerable to the seductive doctrines of the Jehovah s Witnesses What she reveals about the goings on within the closed Watchtower Society will shock the average person who assumes the polite well dressed people who pass out leaflets are much like any other conservative religious group Wilson contends that membership in the Jehovah s Witnesses requires obedience bordering on psychological enslavement and complete suppression of individuality Her engrossing memoir will be of great interest to former Witnesses students of cult phenomena and anyone who has ever had contact with Jehovah s Witnesses

Escape from Paradise Brock Talon, 2015-01-08 An innocent child named Brock Talon longs for the Jehovah s Witness paradise but in time finds it isn t all it s cracked up to be With Armageddon ever looming his life becomes an endless stream of restrictions and mandated works harsh discipline and conditional relationships Join Brock s struggle with apostasy and persecution sanctioned abuse and God like elders Learn with him about his faith s built in sexual dysfunction and an eerily business like design as well as its dubious origin repeated

failed prophecy fixation on demons and the curious anointed ones Will Brock ignore his eye opening discoveries or will he act and lose everything This story both humorous and tragic is about one man s personal pilgrimage through the dystopian world of the Watch Tower Bible and Tract Society Along with millions like him will Brock be able to safely make his escape from paradise *The Watchtower's Coming Crisis* Daniel Rodriguez,2009 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah s Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it **How to Escape from Jehovah's Witnesses** Lloyd Evans,2018-04-25 Jehovah s Witnesses number into the millions globally and are well known for their public evangelism about God s kingdom But beneath the facade of brotherly love and organizational unity lies a captive organization in which doubts are stifled and dissent is ruthlessly crushed Once a Witness stops believing they face being ostracized as a loathed mentally diseased apostate They must navigate a labyrinth of obstacles and dilemmas due to the organization s cruel policy of shunning former members Lloyd Evans is a well known ex Witness writer and activist and in his second book he draws on his firsthand insider

knowledge as a former elder to guide would be escapees through the minefield that awaits them How should elders be dealt with What resources are available for objective research What should someone do if they are threatened with judicial action What about coming clean to family members How does someone go about rebuilding their social circle What precautions should be taken to maintain privacy when browsing apostate material online All these questions and more are answered in How to Escape From Jehovah s Witnesses described by Paul Grundy of JWfacts com as an invaluable tool in helping former Witnesses move on as efficiently and painlessly as possible **Awake! to the Watchtower** Doug Harris,Bill Browning,1993

Thirty Years a Watch Tower Slave William J. Schnell,1956 It was in the year 1954 that Williams J Schnell wrestled with God in prayer for an entire agony filled night As morning broke he arose with peace in his soul and a song in his heart For the first time in thirty years Schnell was a free man For three decades he had been enslaved in one of the most totalitarian systems of the twentieth century That morning he stood up with the firm determination that with God s help he would reveal to the world the inner workings of the Watch Tower Society The result is this entrancing book Thirty Years A Watch Tower Slave The Confessions of a Converted Jehovah s Witness This is a much needed book Like a giant octopus the Watch Tower Society has spread its tentacles to the corners of the world In spite of its denial of most of the major Biblical truths including the trinity the divinity of Christ the physical resurrection of Christ the physical return of Christ it poses as a Christian movement It yearly lures thousands into its fold with its ingeniously devised system of proselyting It is the inner workings of this organization which the author lays bare and exposes to public view for the first time in history Every previous effort has been successfully thwarted The writer of this expos too has been subjected to pressure But his vow of gratitude to God for opening his eyes and for delivering him from this vicious network has given him courage and carried him through Although Mr Schnell pulls no punches he displays no rancor or bitterness This book is his life s story as a Jehovah s Witness It is his confession of wrongdoing to God and his fellow man In doing so he reveals the Jehovah s Witnesses and The Watch Tower Bible and Tract Society for what they really are This book is a powerful warning to any and all who may be approached by the misnamed Jehovah s Witnesses It is likewise Mr Schnell s appeal to his former brethren to throw off their shackles and to return to the liberty which is in Jesus Christ Be sure to read this book You owe it to yourself to be well posted on this aggressive movement Sooner or later you will be confronted with its message of perversion

I, Witness Daniel Clark,2013-06 Jehovah s Witnesses The one true faith or a cult For Daniel Clark a family man devout member of the Watchtower Society and bringer of Ther Good News life had lost all meaning Disillusioned with church teachings he decided to leave the faith but had to find the strength to throw off the teachings programmed into him since birth and rebuild his life In a harrowing account of growing up as a Witness in a filthy flea infested house visiting his mother in a hellish mental institution and handing out Jehovah s Witness pamphlets door to door Daniel shares the story of his journey from an abusive childhood to his escape from the religious cult that held him and his entire family prisoner I Witness The Shocking Insider s

Behind the Watchtower Curtain David A. Reed, 1989 **Jehovah's Witnesses & the False Teachings of the Watchtower Society** Crone Billy Crone, 2020 **Attic Alone** A. McGinley, 2010-09-14 When smallpox vaccinations were required before entering school, A McGinley's father held her arm down on the table and dropped acid on the upper part of it to painfully burn a hole in her arm. It needed to be deep enough to imitate a real smallpox vaccination. Her Mom comforted her and then took her to the attic to open boxes. They looked for school clothing. She liked being in the attic alone. It was a shelter and hiding place from her family who were Jehovah's Witnesses. Mentally she escaped to the attic to be alone when she had to attend services at the Kingdom Hall. She lived in two worlds. One world was home, the Kingdom Hall and service. Her other world was school, the attic and neighbors. There were great differences between these worlds teaching her to think for herself when great conflicts arose between the two. Growing up in a family that included abuse, alcoholism and religious cult beliefs closed many doors such as social freedom and college. School, the attic and neighbors helped her to open some of those doors. *Attic Alone* tells the story of her journey from the bondage of false beliefs to a real Christian faith. Jehovah's Witnesses and the United Nations Tami Dickerson, 2011-10-11 This book is a one-stop resource detailing all the evidence regarding the Watchtower Society's affair with the United Nations. Not only did this affair deceive the United Nations but it also deceived the worldwide membership of Jehovah's Witnesses. This book gives all of the source references so that the reader can verify the information for him or herself. It is a must-have for anyone who is investigating this matter in depth.

No Room to Move Alan Butters, 2013-07 The Watchtower Bible and Tract Society of Pennsylvania is the main legal entity of the Jehovah's Witnesses. This organisation directs and controls the thinking of almost eight million people around the world known principally for their door knocking campaigns. The Watchtower Society is responsible for almost everything in the life of a Jehovah's witness from the literature they read, the lectures to which they listen, through to their attitude toward medical procedures and the people with whom they choose to associate. They don't celebrate Christmas, Easter or birthdays, don't vote in political elections, refuse blood transfusions and refuse to be conscripted into the military which often makes them stand

out from the rest of society Less understood is why they take these stands and what it costs them and society as a whole to do so Concerning is the fact they anticipate a day when the vast majority of mankind will be wiped from the earth so that a small group may worship in the way they choose The fact they live their lives under the control of a handful of men to whom they essentially turn over their power of reasoning and their freedom of speech is even more concerning That this sometimes costs them their lives or the lives of their children is frightening This is the story of one man s journey through and eventually out of The Bizarre World of the Watchtower Society Thirty Years a Watchtower Slave William J. Schnell,1972 **Thirty Years a Watch Tower Slave** W.J. Schnell,1956 How to Rescue Your Loved One from the Watchtower David A. Reed,1989 Can Jehovah's Witnesses Survive? Trevor Willis,2012-03-20 This is a brilliant guide for outsiders and invaluable to Jehovah s Witnesses who have doubts An honest thought provoking examination of the Watchtower Society providing a fascinating insight into their beliefs and lifestyle Their changing teachings claims and predictions are shown How Jehovah s Witness are instructed to view outsiders and what membership requires is explained along with the methods they use to draw people into their religion This easy to read book is a goldmine for those wishing to avoid the pitfalls along the way in their search for truth I found the author s respect for ordinary members heart warming the overall picture chilling Author s comment Thoughtful disagreement is essential to progress As we learn we grow and change We should be free from fear and pressure to pursue truth with an open mind If my writings help to promote such freedom and assist you in your search for truth then my years spent as a Jehovah s Witness shall not have been wasted Many people have asked what prompted me to write a book about Jehovah s Witnesses and the Watchtower Society Few people are aware how a knock on their door can change their lives until it is too late I was raised as a Jehovah s Witness and spent the first thirty years of my life serving the Watchtower Society in the belief that I was serving God I was certain that I had found the answer to all life s questions and would live forever on earth while it was transformed into a paradise Many years were devoted to calling at people s homes to share the good news with them also to warn them that they could lose their life at Armageddon if they did not heed my message I was too narrow minded to consider the possibility that I could be wrong and have since learned humility An obligation exists to share the knowledge I have with the aim of increasing public awareness of what involvement with the Watchtower Society can entail People have the right to consider the testimony of those who have walked a path before them before unwittingly being led down that path themselves The web was not available when I was a Jehovah s Witness This meant that independent information about the Watchtower Society and its history was scarce Members that had doubts dare not speak out due to fear of being labelled apostates and expelled Before people make a major purchase they will usually read independent reviews or talk with others who have made the same investment Company representatives may be economical with the truth Before you invest your life s resources in the Watchtower Society s concept of truth independent research is essential The cost of leaving can be high My entire family with the exception of my elder brother now shun me as

is the practice among Jehovah's Witnesses I managed to maintain a precarious alliance with a few family members until they heard that I intended to publish a book about my experience as a Jehovah's Witness I was immediately shunned before I had finished writing the book The original book was called Opening the Door to Jehovah's Witnesses Painful as this is each time I receive a comment from another person who has been helped by my writings I am reassured that the price I pay to share my experience has not been in vain It is for you alone to come to your own conclusions as to what constitutes truth There is no shame in being unable to reach a definite conclusion Perhaps our journey through life is a search without end Thoughtful disagreement is essential to progress As we learn we grow and change I have not attempted to offer an alternative or promote a particular spiritual path as that is not the purpose of this book I have tried to show that belief in God need not include living in fear of death at Armageddon when one's best fails to meet the requirements of the Watchtower Society We should be free of such fear and pressure to pursue truth with open minds **Thirty Years a Watchtower Slave, Etc**
