*Ancient Egypt* Philip Steele,2007 Explore the culture and beliefs of the Egyptian people and enter an amazing world of gold topped pyramids mummified pharaohs strange burial rituals and ingenious tomb robbers      *The World According to Colour* James Fox,2021-10-07 Extraordinary An intellectual feast as well as a visual one Edmund de Waal author of The Hare with Amber Eyes The world comes to us in colour But colour lives as much in our imaginations as it does in our surroundings as this scintillating book reveals Each chapter immerses the reader in a single colour drawing together stories from the histories of art and humanity to illuminate the meanings it has been given over the eras and around the globe Showing how artists scientists writers philosophers explorers and inventors have both shaped and been shaped by these wonderfully myriad meanings James Fox reveals how through colour we can better understand their cultures as well as our own Each colour offers a fresh perspective on a different epoch and together they form a vivid exhilarating history of the world We have projected our hopes anxieties and obsessions onto colour for thousands of years Fox writes The history of colour therefore is also a history of humanity      **The World According to Color** James Fox,2022-04-12 A kaleidoscopic

exploration that traverses history literature art and science to reveal humans unique and vibrant relationship with color We have an extraordinary connection to color we give it meanings associations and properties that last millennia and span cultures continents and languages In *The World According to Color* James Fox takes seven elemental colors black red yellow blue white purple and green and uncovers behind each a root idea based on visual resemblances and common symbolism throughout history Through a series of stories and vignettes the book then traces these meanings to show how they morphed and multiplied and ultimately how they reveal a great deal about the societies that produced them reflecting and shaping their hopes fears prejudices and preoccupations Fox also examines the science of how our eyes and brains interpret light and color and shows how this is inherently linked with the meanings we give to hue And using his background as an art historian he explores many of the milestones in the history of art from Bronze Age gold work to Turner Titian to Yves Klein in a fresh way Fox also weaves in literature philosophy cinema archaeology and art moving from Monet to Marco Polo early Japanese ink artists to Shakespeare and Goethe to James Bond By creating a new history of color Fox reveals a new story about humans and our place in the universe second only to language color is the greatest carrier of cultural meaning in our world

**World Literature Decentered** Ian Almond, 2021-07-13 What would world literature look like if we stopped referring to the West Starting with the provocative premise that the West is ten percent of the planet *World Literature Decentered* is the first book to decenter Eurocentric discourses of global literature and global history not just by deconstructing or historicizing them but by actively providing an alternative Looking at a series of themes across three literatures Mexico Turkey and Bengal the book examines hotels melancholy orientalism femicide and the ghost story in a series of literary traditions outside the West The non West the book argues is no fringe group or token minority in need of attention on the contrary it constitutes the overwhelming majority of this world
