Babies R Us Kiddie Pools:

Crazy or Not, Here I Come Dawn Jeronowitz, 2018-04-09 I would like to thank myself for the miracle of my being here today These are the words Dawn spoke before members of the FDA Psychopharmacologic Drug Advisory Committee Hearing in 2006 before she described her prescription drug related experience an ordeal that began five years earlier With a successful and coveted career in the concert tour arena a blossoming new relationship and her beloved dog Simon at her side Dawn sets off for a sunny vacation in Florida between tours But when she is prescribed an anti anxiety medication for a minor problem her charmed life quickly spirals into mania insomnia religious preoccupations impulsive actions grandiose behaviors suicidal ideation and psychosis The world altering events of September 11 further propel a delusional Dawn into a full blown paranoid psychotic war and she is brutally taken into custody involuntarily committed to a mental crisis institution and drugged even more In riveting detail Dawn takes the reader on a wild and terrifying ride of insanity As the drugs are flushed from her system she begins to regain control over her life and eventually flourish and now she shares her harrowing story to shed light on the dark epidemic of pharmaceutical drug generated violence suicide homicide and terrorism
