*Baby Boomers Guide* Steven Testerman, 2015-04-16 This Book is the first in a series for Baby Boomers in search of Spiritual answers Finding God helps guide you through the first steps you must take if you are to believe in a Higher Power and is written especially for Baby Boomers Guide by a vintage 1948 author The Woodstock Generation has some members who are Lost We are trying to find them Baby Boomers Guide Finding God is written for the nearly half of Boomers who are dropouts from formal religion There are those who think that Religion is a bad thing this Baby Boomers Guide will try to offer up some ideas for your Spiritual contemplation I want to share with you what I hope is a logical and plausible case for the existence of God that can stand up to whatever the Scientists are saying today These days there are people who want to say that God did not have to exist or that there was no time for God to have been created Others think the idea of God is so ridiculous that they make a movie about it I hope to show you why these things are not necessarily true Boomers can pose some really hard questions and it is really hard to pull the wool over most Baby Boomer s eyes it seems like we have seen it all We have been witness to some pretty remarkable things in our life We questioned authority We trusted no one over 30 We were and still are unique Sometimes this was good Sometimes this didn t work out too well Times were changing and it was like no other time since We got to see it all in color I struggled for several decades of my adult life trying to reconcile what I was taught about God and religion in my youth and what I had learned about science and life I have come to believe two things Science and God are totally compatible A Life of Hope is a good way to go We present a case for God but try to do so in a highly illustrated eBook that takes on topics such as Is there a God Is God Dead Does Science Disprove God I Don t believe in Adam and Eve The Bible is wrong Who Created the Universe and beyond Why Believe in God and much more

sensitivity and more     **At the Crossroads** Clayton L. Smith, Mr. Dave Wilson, 2016-08-02 Retirement can be the most purpose filled satisfying fun phase of your life. Thousands of men and women are retiring each day and many look forward to this phase of life with equal parts excitement and anxiety. Baby boomers have high expectations of retirement they want to be redeployed to a life that is meaningful, significant and full of joy. But this requires thoughtful planning and many soon to be retirees wonder how they'll get there or if they're even on the right path. *At the Crossroads* by Clayton Smith and Dave Wilson is a six week Bible based study offering comprehensive practical help for Christians who are approaching, entering or already in retirement. Readers can work through the book on their own or as part of a group. The book guides readers through a study and reflection process to discover their purpose, passion and mission for retirement. It includes self assessments and other planning tools to help readers develop a personal and spiritual mission statement. The book also facilitates discussions with family and friends about shared priorities, expectations and end of life decisions, bringing a sense of peace for all involved. Finally the book includes a chapter on financial planning with a focus on the reader's legacy for an impact that will last through generations. Most churches do too little to reach people who are nearing or entering retirement. Case in point the baby boomer generation which is slipping away from the church. *At the Crossroads* is a gift for people in this group and for church leaders seeking to nurture them. It offers a way for retirees to reclaim God's purpose for their lives and to serve as never before. This is powerful for the individual and for the church. Pastors should use this as the basis for preretirement classes. It is a comprehensive study in service, community stewardship, life purpose and spirituality. William B Randolph, Director Aging and Older Adult Ministries, Discipleship Ministries UMC. For Boomers who are ready to take a serious look at their future, *At the Crossroads* is an excellent place to start. Perfect for small groups and individuals who are ready to engage in six critical discussions, participants will be guided to discover their purpose as they move into the second half of life. Rev Dr. Craig Kennet Miller, author of *Boomer Spirituality Seven Values for the Second Half of Life* and Director of Congregational Development at Discipleship Ministries with the United Methodist Church. A useful tool for a community of Boomers looking to build and grow an enriching fellowship for the body, mind and spirit. We are excited to use this study. Tiwana Whitten, First United Methodist Church, Topeka KS. *At the Crossroads* is a creative six week bible based study that will help those of us over 55 to prepare for transition into or live out our retirement years in more exciting and productive ways. I thank Clayton Smith and Dave Wilson for sharing from their experiences as an executive pastor and lay leader at Church of the Resurrection in a resource that will help us move from senior adult programs that mainly focus on entertainment and travel to instead preparing and motivating seniors to use their many gifts and graces in their church and community. I especially appreciate the book being grounded in biblical practices while using business like methods that will be familiar to recent retirees. The tools included and available on line help develop an inventory that will be used as building blocks for establishing a personal Mission Purpose Statement and Strategic Plan. The many God Stories in personal interviews and the Chapter that focuses on

Caring Conversations with family and friends make this book special in accomplishing a bridge to the many current Boomers who think of retirement as a career shift not as a traditional approach to retirement Paul R Ervin Jr Director of Generous Living Long s Chapel Lake Junaluska NC *Beautiful Feet* Sadiri Joy Tira,2024-06-06 Beautiful Feet Following Christian Missionary Footsteps by Dr Sadiri Joy Tira allows you to dive deep into a compelling philosophy of global missions using engaging missionary stories to guide you to a greater understanding of how impactful missions work can be when done well

**Spiritual Marketplace** Wade Clark Roof,2001-07-02 In large chain bookstores the religion section is gone and in its place is an expanding number of topics including angels Sufism journey recovery meditation magic inspiration Judaica astrology gurus Bible prophesy evangelicalism Mary Buddhism Catholicism and esoterica As Wade Clark Roof notes such changes over the last two decades reflect a shift away from religion as traditionally understood to more diverse and creative

approaches But what does this splintering of the religious perspective say about Americans Have we become more interested in spiritual concerns or have we become lost among trends Do we value personal spirituality over traditional religion and no longer see ourselves united in a larger community of faith Roof first credited this religious diversity to the baby boomers in his bestselling *A Generation of Seekers* 1993 He returns to interview many of these people now in mid life to reveal a generation with a unique set of spiritual values a generation that has altered our historic interpretations of religious beliefs practices and symbols and perhaps even our understanding of the sacred itself The quest culture created by the baby boomers has generated a marketplace of new spiritual beliefs and practices and of revisited traditions As Roof shows some Americans are exploring faiths and spiritual disciplines for the first time others are rediscovering their lost traditions others are drawn to small groups and alternative communities and still others create their own mix of values and metaphysical beliefs Spiritual Marketplace charts the emergence of five subcultures dogmatists born again Christians mainstream believers metaphysical believers and seekers and secularists Drawing on surveys and in depth interviews for over a decade Roof reports on the religious and spiritual styles family patterns and moral vision and values for each of these subcultures The result is an innovative engaging approach to understanding how religious life is being reshaped as we move into the next century

**Private Needs, Public Selves** John K. Roth, 1997 Polls through the 90s show that many Americans believe the nation is in a period of spiritual decline yet public religious display and discussion often is deemed politically incorrect Philosopher John K Roth feels that more outward sharing of religious beliefs thoughts and ideas would bridge the gap between our private needs and our public selves and would give Americans of differing faiths a common identity **Help!**

**I'm a Baby Boomer** Hans Finzel, 1989 **Baby Boomer Spirituality** Craig Kennet Miller, 2003 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 *Aging with Joy and Impact* Jerry Black, 2021-07-26 If you belong to the baby boomer generation and there are seventy six million of us this book is targeted at you Whether you attend church or not this book is for you If you grew up fearing an angry God and hell if you sinned this book is for you If you have that Catholic Jewish or other guilty about life you will find this book comforting reassuring and encouraging If retirement today leaves you feeling unwanted unneeded or without purpose this book is for you Belonging to a religion and attending services has been a way for many to check something off their get to heaven list Going through the motions might fool our brains but not our hearts As baby boomers 1946 1964 most of us were brought up in a religious environment that stressed obeying all the rules or an angry God would send us to hell As imperfect human beings this formula did not work well for us Guilt has flourished for decades in many religions that turned us into mechanical law observers missing the central facet of religion that God is love and mercy and Jesus is our model I have expanded on the two actually three great commandments to give you practical applications on how in the third half of your spiritual life you can find joy in your heart and positively impact others Enjoy my story as well as the stories of sixteen other seniors who have
