**How to Raise an American** Myrna Blyth, Chriss Winston, 2007-03-20 Do you love America? Are you proud to call this country your home? Now what about your kids? You want them to love America as much as you do, but when popular culture tells them it's cooler to bash this country than to love it, how can you teach them to be proud and loyal citizens? As mothers themselves, bestselling author Myrna Blyth and former presidential speechwriter Chriss Winston have struggled with the same dilemma. Shocked by the growing patriotism gap, they set out to create a real world resource all parents can use to teach their kids about the greatness of America's past, the promise of its future, and the important role each of us plays in this democracy. *How to Raise an American* shows you how to make patriotism a priority without it becoming a chore for you or your kids. This practical guide offers tips, games, activities, quizzes and information you can use to make patriotism part of your family's daily life, including 60 Minute Solutions that easily and seamlessly instill a love of this country. Dinner Table Debate topics that will have the whole family talking. Road trip ideas that bring America's history to life. Books and movies that exemplify our shared ideals. Inspiring stories of American courage, honor and ingenuity. Fun and educational ways to celebrate American holidays like the Fourth of July and Veterans Day. Blyth and Winston consulted prominent historians, academics, military leaders, politicians, authors, scholars, film critics and parents around the country to bring you a truly useful guide. Part treatise on patriotism, part American history primer, part civics lesson, this book is the antidote to the virulent America-bashing our children hear every day. Inspiring and practical, *How to Raise an American* is a must for every patriot parent and child.
