## **Burning Your Boats The Collected Short Stories:**

**Burning Your Boats** Angela Carter,1997-08-01 One of our most imaginative and accomplished writers Angela Carter left behind a dazzling array of work essays criticism and fiction But it is in her short stories that her extraordinary talents as a fabulist feminist social critic and weaver of tales are most penetratingly evident This volume presents Carter s considerable legacy of short fiction gathered from published books and includes early and previously unpublished stories From reflections on jazz and Japan through vigorous refashionings of classic folklore and fairy tales to stunning snapshots of modern life in all its tawdry glory we are able to chart the evolution of Carter s marvelous magical vision *Burning Your Boats* Angela Carter,1995 As well as her eight novels Angela Carter published four wonderful collections of short stories during her lifetime and contributed stories to several anthologies The stories were scattered amongst different publishers and a couple of the volumes are now out of print In BURNING YOUR BOATS they are gathered together for the first time this is a key collection and a major event for Angela Carter aficionados It brings some important work back into print including THE BLOODY CHAMBER her seminal collection of fairytales in which she rewrote stories such as Little Red Riding Hood and Beauty and the Beast in her characteristically subversive earthy way This publication in 1995 will begin a major Angela Carter promotion a celebration of the publication of her Collected Works and a major push for the back list with an order form for all of the Chatto Vintage and Virago titles This enticing fat volume of Carter s surprising and inventive stories will be one of the most exciting events in the promotion *Burning Your Boats* Angela Carter,1996

**Burning Your Boats** Angela Carter,1998 This comprehensive collection including stories written as early as 1962 shows Angela Carter at her most adventurous From early reflections on jazz and Japan through vigorous refashionings of vampires and werewolves to imaginative snapshots of real life outcasts and the glorious but tainted world of Hollywood she combines her wild imagination with a fierce and uncompromising approach

**Heterotopia in Angela Carter's Fiction: Worlds in Collision** Eliza Claudia Filimon,2014-02-01 Angela Carter s work is a collage of discourses and genres The challenge of finding a critical framework complex and accurate enough to classify her work has remained The spectacular and the pragmatic threads of her texts framed by extreme seriousness and witty humour are unravelled with the help of a different metaphor denoting enigmatic spaces counterdiscourses borders of otherness heterotopia Five novels out of nine five short stories out of thirty five as well as Carter s two film adaptations are filtered through a term extricated from its medical and geographical roots which emphasizes the ambiguity as well as the dialogic interaction of Angela Carter s often discordant discourses that have kept her at the top of the literary canon

**Angela Carter's Pyrotechnics** Charlotte Crofts,Marie Mulvey-Roberts,2022-01-13 Representing a shift in Carter studies for the 21st century this book critically explores her legacy and showcases the current state of Angela Carter scholarship It gives new insights into Carter s pyrotechnic creativity and pays tribute to her incendiary imagination in a reappraisal of Angela Carter s work her influences and influence Drawing attention to the highly

constructed artifice of Angela Carter's work it brings to the fore her lesser known collection of short stories *Fireworks* *Nine Profane Pieces* to reposition her as more than just the author of *The Bloody Chamber* On the way it also explores the impact of her experiences living in Japan in the light of Edmund Gordon's 2016 biography and Natsumi Ikoma's translation of *Sozo Araki*'s Japanese memoirs of Carter     *Angela Carter and Surrealism* Anna Watz,2016-07-15 In 1972 Angela Carter translated Xavière Gauthier's ground breaking feminist critique of the surrealist movement *Surrealisme et sexualité* 1971 Although the translation was never published the project at once confirmed and consolidated Carter's previous interest in surrealism representation gender and desire and aided her formulation of a new surrealist feminist aesthetic Carter's sustained engagement with surrealist aesthetics and politics as well as surrealist scholarship aptly demonstrates what is at stake for feminism at the intersection of avant garde aesthetics and the representation of women and female desire Drawing on previously unexplored archival material such as typescripts journals and letters Anna Watz's study is the first to trace the full extent to which Carter's writing was influenced by the surrealist movement and its critical heritage Watz's book is an important contribution to scholarship on Angela Carter as well as to contemporary feminist debates on surrealism and will appeal to scholars across the fields of contemporary British fiction feminism and literary and visual surrealism     **Angela Carter: New Critical Readings** Sonya Andermahr,Lawrence Phillips,2012-08-09 Bringing together leading international scholars of contemporary fiction and modern women writers this book provides authoritative new critical readings of Angela Carter's work from a variety of innovative theoretical and disciplinary approaches Angela Carter New Critical Readings both evaluates Carter's legacy as feminist provocateur and postmodern stylist and broaches new ground in considering Carter as variously a poet and a naturalist Including coverage of Carter's earliest writings and her journalism as well as her more widely studied novels short stories and dramatic works the book covers such topics as rescripting the canon surrealism and Carter's poetics     **Body Texts in the Novels of Angela Carter** Anna Kerchy,2008 This study fills a major gap in Carter scholarship by examining the interrelations of the ideological constructions and the subversive counter performances of bodies texts identity and femininity particularly in their connection with the grotesque in Carter's final novel trilogy *The Passion of New Eve* 1977 *Nights at the Circus* 1984 and *Wise Children* 1992     **British and Irish Short-fiction Writers, 1945-2000** Cheryl Alexander Malcolm,David Malcolm,2006 Essays on British and Irish authors of short stories written between 1945 and 2000 that are traditional in subject matter and technique and cover social political and economic changes that occurred during this time The Irish contribution to short fiction in English is second to none Short fiction in languages other than English also plays a significant role in the postwar British and Irish literary world including the use of the working class Scottish dialect     **Tale, Novella, Short Story** Wolfgang Görtschacher,2004     **Literature and Nature** Bridget Keegan,James C. McKusick,2001 Literature and Nature exposes students to the tremendous diversity of literacy responses to the physical environment The selections cover four centuries of the best nature writing produced in Britain and America from

Journal of the short story in English , 2009 Wedding the Beast Meagan Hassell, 2001 **Angela Carter** Sarah Gamble, 1997 In this book Sarah Gamble explores Angela Carter's celebration of the marginal the balance in her work between history and fantasy fairy tale and reality excessive desire and love and looks at how these tensions influenced both the form and content of her fiction Providing close perceptive readings of all of Carter's fiction many of the short stories as well as the non fiction writing Sarah Gamble demonstrates how throughout her career Carter wrote with the intention of subverting consensus views of any kind in particular the conception of history as unalterable master narrative conventional social codes regarding propriety and woman's place and the artificial distinction between high and low literature This is an illuminating study of a startlingly original and influential writer which will appeal to students and the general reader alike
