Burton On Burton:

Burton on Burton Tim Burton,2008-11-20 Tim Burton is one of the great modern day visionaries of cinema a director who has fabricated his own deliciously nightmarish universe in movies as extraordinary as Beetlejuice Edward Scissorhands Mars Attacks and The Nightmare before Christmas not to mention his twisted takes on the tales of Batman Sleepy Hollow and Planet of the Apes Following the release of his re imagining of Roald Dahl s Charlie and the Chocolate Factory with long time comrade Johnny Depp who also provides a new foreword here this updated and fully illustrated new edition of the definitive Burton interview book casts light on Burton s Burbank childhood his early work at Disney the recurrent themes and stunning designs of his movies and the creative obsessions that fuel them

Burton on Burton, 2nd Revised Edition Tim

Burton,2006-09-19 A revised edition of the only book to explore the unique brilliance of director Tim Burton s work including a new chapter on the making of Sleepy Hollow Still only in his thirties Tim Burton has established himself in the past fifteen years as one of the great visionaries of film With the Batman films Beetlejuice Edward Scissorhands The Nightmare Before Christmas Ed Wood and most recently Sleepy Hollow he has continually broken new ground both visually and thematically exploring the dark anguish as well as the dark humor that animates many of his characters while also creating a densely textured sometimes bizarre look specific to each film In Burton on Burton Burton talks to Mark Salisbury about his training as an animator at Disney the importance of design in his films and the recurring themes present in his work In this revised edition he also discusses the influence of 1950s sci fi and 1970s disaster films on Mars Attacks as well as how he conceived his highly stylized approach to the content and setting of Sleepy Hollow his acclaimed retelling of the Washington Irving story that stars Johnny Depp perhaps the actor most identified with Burton s work Enhanced by stills from the films storyboards and illustrations of set designs for all his major films Burton on Burton provides insights and information about the man and his work throwing light on both his unique artistic vision and on the extraordinary films that have been the result
