Business Capital For Women An Essential Handbook For Entrepreneurs:

Business Capital for Women Emily Card, Adam L. Miller, 1996 Although women owned businesses are the fastest growing sector of the economy today women remain largely excluded from the male dominated world of small business financing. The authors open this world by providing women with the means to overcome the traditional barriers to raising funds. *Business Capital for Women* Macmillan Publishing Company, Incorporated, 1997-10. **Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review. The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject. Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts. This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and it is a useful addition to any academic or public library that endeavors to represent the field. A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century. The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review. The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject. Most reviews cite and describe similar and contrasting titles substantially extending the coverage. Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts. Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women's studies. It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field. **Million Dollar Women** Julia Pimsleur, 2015-10-06 The useful and inspiring Diane von Furstenberg guide for female entrepreneurs who want to take their businesses into the big leagues. Do you have an ambitious vision for your business but aren't sure what to do next? Successful entrepreneur Julia Pimsleur provides an invaluable guide for any woman who wants to make a big jump. Gretchen Rubin author of *Better Than Before* and *The Happiness Project*. Over the past twenty years women in the US have started nearly twice as many businesses as men but only three percent of all women business owners ever make revenues of one million dollars or more. Most are stuck running kitchen table businesses just getting by or in many cases running out of cash. Julia Pimsleur aims to change that with *Million Dollar Women* which will show you how to take your business to that million dollar mark and beyond. *Million Dollar Women* introduces you to Pimsleur.

and seven other women who have raised capital developed powerful networks and built multimillion dollar companies from scratch It teaches you the concepts and the vocabulary you need to secure funding and scale up It explains how to make the right connections when to delegate and when to seek coaching and support Drawing on her own experience of becoming a CEO Pimsleur also provides help for overcoming the hurdles you have to clear to leap to that next level With thought provoking interviews of women entrepreneurs and other business experts and important exercises at the end this resourceful book is rich in ideas and valuable insight Booklist **Grow, the Modern Woman's Handbook** Lynne Franks, 2004
