Burger King , Media and Culture Richard Campbell, Christopher R. Martin, Bettina Fabos, 2011-02-23 It's no secret today's media landscape is evolving at a fast and furious pace and students are experiencing these developments firsthand. While students are familiar with and may be using the latest products and newest formats they may not understand how the media has evolved to this point or what all these changes mean. This is where Media and Culture steps in. The eighth edition pulls back the curtain and shows students how the media really works, giving students the deeper insight and context they need to become informed media critics. Media and Culture with 2013 Update Richard Campbell, Christopher R. Martin, Bettina Fabos, 2012-02-20 Today's media landscape is changing faster than ever and students are experiencing these developments firsthand. Media Culture pulls back the curtain on the media and shows students what all these new trends and developments really mean, giving students the deeper insight and context they need to become informed media critics. The 2013 Update also includes the must-cover events and trends students need to know to become informed media consumers and critics from social media's influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions and what the News Corp phone hacking scandal means for journalism to the continued growth of television streaming and apps and the advent of tablet-only newspapers. Read the preface. **Digital Marketing in Sports** Brandon Mastromartino, James J. Zhang, 2023-11-10 This book examines how the sport industry is adapting to the needs of the digital-first global economy. Focusing on digital techniques in sport marketing, this volume explores new and emerging technologies and considers how they can help to build commercially successful and sustainable sport business. Featuring the work of sport business and management researchers from around the world, the book shines new light on key aspects of sport marketing such as brand development, consumer behavior, and marketing communications. Illustrated with informative figures throughout, it presents cutting-edge case studies and new research on digital marketing, covering topics including the metaverse and video games, esports, athlete endorsement, digital immersion, social media equity, crowdfunding, digital fandom, and dark market brands. Global in scope, this book is fascinating reading for any student, researcher, or industry professional looking to deepen their understanding of digital marketing in the context of the global sport industry. Encyclopedia of Media Violence Matthew S. Eastin, 2013-10-01 Via 134 signed entries, this encyclopedia provides students, researchers, and the general public with an accessible, comprehensive, and well-balanced, evidence-based examination of theory, research, and debates related to media violence. Entries conclude with Cross References and Suggestions for Further Readings to guide users to related entries and resources for further research, and a thematic Reader's Guide in the front matter groups related entries by topic to make it easier for users to locate related entries of interest. **Media Today** Joseph Turow, 2008-09-25 Media Today puts students at the center of profound changes in the twenty-first century media world, from digital convergence to media ownership, and gives them the skills to think critically about what these changes mean for the role of
