Burma's Icy Mountains Frank Kingdon Ward,1949 Burma's Icy Mountains Francis Kingdon-Ward,1949 Francis Kingdon Ward made four expeditions into the mountains at the sources of the Irrawaddy to study the flora and fauna of the area **Burma's Icy Mountains ... Illustrated from Photographs Taken by the Author. [With Maps].** Frank Kingdon WARD,1949 Burma's Icy Mountains Francis Kingdon-Ward,1949 Francis Kingdon Ward made four expeditions into the mountains at the sources of the Irrawaddy to study the flora and fauna of the area **Himalayan Enchantment** Francis Kingdon Ward,1990 The last of the great plant hunters Frank Kingdon Ward undertook 25 major expeditions over a period of nearly 50 years and collected and numbered more than 23 000 plants English gardens are still enriched by the poppies lilies primulas rhododendrons and many other plants that he introduced **Burma: Rivers of Flavor** Naomi Duguid,2012-11-27 The fact is some books simply need to exist Burma The Cookbook is one of these Burma is culturally rich and complex in many ways but perhaps nowhere more than in its extraordinary food culture It s at the crossroads between the food of the great Indian subcontinent to its west and the food of Southeast Asia to its east with a dash of Chinese influence from the north making it an amazing place in between With simple recipes for food that manages to be elegant and earthy at the same time plus stories of a place and a people that inspired Rudyard Kipling Somerset Maugham and George Orwell this may be Duguid s most enchanting cookbook yet The book features photographs throughout of the finished dishes of people of a hauntingly beautiful land as well as travel tips a history of Burma extensive glossaries and a bibliography *Myanmar (Burma) since the 1988 Uprising* Andrew Selth,2022-01-24 Updated by popular demand this is the fourth edition of this important bibliography It lists a wide selection of works on or about Myanmar published in English and in hard copy since the 1988 pro democracy uprising which marked the beginning of a new era in Myanmar s modern history There are now 2 727 titles listed They have been written edited translated or compiled by over 2 000 people from many different backgrounds These works have been organized into thirty five subject chapters containing ninety five discrete sections There are also four appendices including a comprehensive reading guide for those unfamiliar with Myanmar or who may be seeking guidance on particular topics This book is an invaluable aid to officials scholars journalists armchair travellers and others with an interest in this fascinating but deeply troubled country Bibliography of Natural History Travel Narratives Anne S. Troelstra,2017-06-01 Anne Troelstra s fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often

vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra s work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication under the author s name A brief biography with the scope and range of their work is given for each author every title is set in context the contents including illustrations are described and all known editions and translations are cited In addition there is a geographical index that cross refers between authors and the regions visited and a full list of the bibliographical and biographical sources used in compiling the bibliography *The Burmese Forester* ,1958 **Burma, Kipling and Western Music** Andrew Selth,2016-11-03 For decades scholars have been trying to answer the question how was colonial Burma perceived in and by the Western world and how did people in countries like the United Kingdom and United States form their views This book explores how Western perceptions of Burma were influenced by the popular music of the day From the First Anglo Burmese War of 1824-6 until Burma regained its independence in 1948 more than 180 musical works with Burma related themes were written in English speaking countries in addition to the many hymns composed in and about Burma by Christian missionaries Servicemen posted to Burma added to the lexicon with marches and ditties and after 1913 most movies about Burma had their own distinctive scores Taking Rudyard Kipling s 1890 ballad Mandalay as a critical turning point this book surveys all these works with emphasis on popular songs and show tunes also looking at classical works ballet scores hymns soldiers songs sea shanties and film soundtracks It examines how they influenced Western perceptions of Burma and in turn reflected those views back to Western audiences The book sheds new light not only on the West s historical relationship with Burma and the colonial music scene but also Burma s place in the development of popular music and the rise of the global music industry In doing so it makes an original contribution to the fields of musicology and Asian Studies *Judson, the Hero of Burma* Jesse Page,1930 *Geographic Study of Mountain Glaciation in the Northern Hemisphere* American Geographical Society of New York.
