Burning Rainbow Farm Dean Kuipers, 2008-12-01 Visit www.burningrainbowfarm.com On a mission to build a peaceful pot friendly Shangri La Tom Crosslin and his lover Rollie Rohm founded Rainbow Farm a well appointed campground and concert venue tucked away in rural Southwest Michigan The farm quickly became the center of marijuana and environmental activism in Michigan drawing thousands of blue collar libertarians and hippie liberals evangelicals and militiamen to its annual hemp festivals People came from all over the country to support Tom and Rollie s libertarian brand of patriotism They loved America but didn t like the War on Drugs As Rainbow Farm launched a popular statewide ballot initiative to change marijuana laws local authorities who had scarcely tolerated Rainbow Farm in the past began an all out campaign to shut the place down Finally in May 2001 Tom and Rollie were arrested for growing marijuana Rollie s 11 year old son who grew up on Rainbow Farm was placed in foster care Tom would never see him again Faced with mandatory jail terms and the loss of the farm Tom and Rollie never showed up for their August court date Instead the state s two best known pot advocates burned Rainbow Farm to the ground in protest County officials called the FBI and within five days Tom and Rollie were dead Obscured by the attacks of September 11 their stories will be told here for the first time Historical Dictionary of

The Deer Camp Dean Kuipers, 2019-05-14 For readers of *The Stranger in the Woods* and *H Is for Hawk* a beautifully written and emotionally rewarding memoir about a father his three sons and a scrappy 100 acre piece of land in rural Michigan Some families have to dig hard to find the love that holds them together Some have to grow it out of the ground Bruce Kuipers was good at hunting fishing and working but not at much else that makes a real father or husband Conflicted angry and a serial cheater he destroyed his relationship with his wife Nancy and alienated his three sons journalist Dean woodsman Brett and troubled yet brilliant fisherman Joe He distrusted people and clung to rural America as a place to hide So when Bruce purchased a 100 acre hunting property as a way to reconnect with his sons they resisted The land was the perfect bait but none of them knew how to be together as a family Conflicts arose over whether the land an old farm that had been degraded and reduced to a few stands of pine and blowing sand should be left alone or be actively restored After a decade long impasse Bruce acquiesced and his sons proceeded with their restoration plan What happened next was a miracle of nature Dean Kuipers weaves a beautiful and surprising story about the restorative power of land and of his own family which so desperately needed healing Heartwarming and profound *The Deer Camp* is the perfect story of fathers sons and the beauty and magic of the natural world
