Recent Trends in German and European Constitutional Law Eibe H. Riedel, Rüdiger Wolfrum, 2010-05-17 The present

volume compiles the German National Reports on Public Law that are to be presented at the XVIIth Congress of the International Academy of Comparative Law which will take place from 16-22 July 2006 in Utrecht the Netherlands By publishing the conference report before the conference itself has taken place we hope to enable interested scholars and practitioners to gain information in greater detail as it will be possible during the conference and in this way to stimulate and inspire the overall discussion The Congress like its predecessors will bring together academics and practitioners from all over the world and thus offer an excellent opportunity for discussion and comparison on a wide range of current and interesting issues The articles of this volume map out the current situation and doctrinal ramifications of a specific comparative project as designed by the Congress organisers Each contributor provides both a full picture of the subject area and sets out his or her view on the topic which will give our experiences from the previous conferences stimulate and enrich the discussions at this year's conference This volume contains eight reports focussing on specific topics of German Public Law and two dealing with questions of European Constitutional Law

Forthcoming Books Rose Arny, 2004 *Law and Ethics for Today's Journalist* Joe Mathewson, 2014-12-18 *Law and Ethics for Today's Journalist* offers aspiring and working journalists the practical understanding of law and ethics they must have to succeed at their craft Instead of covering every nuance of media law for diverse communications majors Mathewson focuses exclusively on what's relevant for journalists Even though media law and media ethics are closely linked together in daily journalistic practice they are usually covered in separate volumes Mathewson brings them together in a clear and colourful way that practicing journalists will find more useful Everything a journalist needs to know about legal protections limitations and risks inherent in workaday reporting is illustrated with highlights from major court opinions Mathewson advises journalists who must often make ethical decisions on the spot with no time for the elaborate multifaceted analysis The book assigns to journalists the hard decisions on ethical questions such as whether to go undercover or otherwise misrepresent themselves in order to get a big story The ethics chapter precedes the law chapters because ethical standards should underlie a journalist's work at all times There may be occasions when ethics and law are not parallel thus calling for the journalist to make a personal judgment *Law and Ethics for Today's Journalist* is user friendly written in clear direct understandable language on issues that really matter to a working journalist Supplementary reading of the actual court cases is recommended and links to most cases are provided in the text The text includes a fine but purposely not exhaustive bibliography listing important and useful legal cases including instructive appellate and trial court opinions state as well as federal
