Portraits of Latino Protestantism in the United States is a small contribution to a much larger project It is part of CEHILA s the Commission for the Study of the History of the Church in Latin America and the Caribbean effort to write church history from the perspective of those who have had no voice those who have not been allowed to reflect on their own history It serves as a call to gather more snapshots of Latino Protestantism to organize these portraits according to different interpretive schemes to analyze the photos with their historical contexts in mind and to utilize these results to challenge the traditional ways in which the history of Christianity in the United States is generally told This book is proof that there are women and men in the Protestant Latino church in the United States with the ability to carry out these tasks Yet an exhaustive history of Latino Protestantism in the United States is still missing The Latino Protestant community needs people to rise up and interpret within wider contexts the stories told in this volume and elsewhere Telling our stories is both a testimony that God has been present in our pilgrimage and a confession regarding the future The same God who accompanied us this far will remain among us Thus we will keep collecting portraits and preparing to take new snapshots of whatever God may do in the future Our photo album closes at a dynamic moment for Latino Protestant churches in the United States From many different perspectives the authors of this book present a growing enthusiastic church ready to serve the Lord The portraits show how much has been done and yet how much remains to do There are many more stories to tell **The Spectator** ,1907 *Critic and Literary World* Jeannette Leonard Gilder, Joseph Benson Gilder, 1893 **From Blake to the present day** Hazelton Spencer, 1963 **The Athenaeum** ,1907 *The Classical Review* ,1929
