Homechurch Studies Ian Charles Morgan, 2011-01-11 This programme is designed both for people with firm opinions and for people who have no opinions at all It does not assume extensive Bible knowledge neither does it mitigate against those who are recognized teachers of scripture In fact the real challenge of this programme is how church leaders manage the ensuing debates that arise from studying the Bible in this way If you see your primary task as a leader as being one of maintaining the orthodoxy of your church tradition than this programme is probably not for you If on the other hand you believe that the words of Jesus are true that the Holy Spirit has been given to us to lead us into all truth then this is an opportunity to strip away the traditions of men and go deeper into God's Word and there discover anew the immense treasures that he has revealed in His scriptures

Golden Path Pradip Agarwalla, 2025-05-22 In this vast world God is the repository of peace happiness and joy the creator and owner of all the various things as the architect of the worthy salvation and the regulator of the world the same supreme power should be the basis of our loving singing and concentration we should praise the qualities of God and constantly try to become like them by moving forward on this golden path our thorny life can become successful and joyful The cause of all man's sorrows is his egoism conflict false and inappropriate behaviour If we consider ourselves a part of God and live in a high spiritual state of mind act according to the soul and control our animal nature then our suffering can be reduced The basis for awakening the sense of self can only be faith in the infinite power of God The entire uproar in the world is due to separation from this central point It is only by living in the spirit of faith in the divine path that man experiences heartfelt peace and true happiness The golden path is the divine path To achieve true prosperity in life and
