How To Become A Teenage Entrepreneur:

Strictly Business: How to Crush it as a Young Entrepreneur Brendan Cox, 2020-05-28 How badly do you want success Meet Brendan Cox a young entrepreneur who owns and runs more than 10 businesses Cox's entrepreneurial journey began when he was only 9 and has evolved throughout his young life Now at 20 Cox shares his greatest tips and tricks for other aspiring entrepreneurs He defies the norm and proves that success truly knows no age Cox hopes his book *Strictly Business* will reach eager minds of any age who want to turn their unique ideas into tangible success *Strictly Business* is an inspiring journey into the mind of this remarkably successful young entrepreneur as he generously shares his business strategies and tactical concepts to guide aspiring entrepreneurs as they take their first steps into the business world Every business will benefit from *Strictly Business* Keywords Teen Entrepreneur Books Young Entrepreneur Books Aspiring Entrepreneur Books Entrepreneurship Books Teen Entrepreneur Young Entrepreneur Conversations with Teen Entrepreneurs Ben Cathers, 2003-10 *Conversations with Teen Entrepreneurs* profiles three successful businesses created by teenagers These companies were created during the booming 90's have weathered the Internet bubble burst and are still succeeding today The book is a fascinating read to see how teenagers are able to overcome the age barrier and succeed in a field normally reserved for adults Each entrepreneur has his own unique story about balancing work and school convincing customers and potential employees to trust them and even in the midst of it all having a successful social life The book is a must read for anyone who wants to successfully start their own business Advice and tips on overcoming obstacles developing marketing strategies and learning to improve sales are just some of the tips and techniques readers will take away with them Every entrepreneur faces nearly insurmountable challenges However these entrepreneurs faced twice as many challenges and they succeeded By learning the secrets to their success you will be given the tools to help surpass any challenge And if not you'll be amazed by the stories these teens have to say Honest **How to Be a Teenage Millionaire** Art Beroff, T. R. Adams, 2000 The authors cite real life success stories of teenage millionaires and provides teens with guidance and tips on becoming entrepreneurs including how to start their own business make their own money and run their own lives Illustrations and photos How to Get a Job If You're a Teenager Cindy Pervola, Debby Hobgood, 2000 A guide to preparing for and carrying out a successful job search including how to fill out an application and how to behave during an interview The Young Entrepreneur's Edge Jennifer Kushell, 1999 It seems like these days whenever you look at a newsstand at least one major business magazine has a cover story about a wildly successful entrepreneur in his or her 20s or 30s That's not surprising when one considers that one out of every five small business owners in America is under 35 and that more young people are starting businesses than ever before Right now in college dorm rooms and their parents' garages the next generation of Sam Waltons Bill Gateses and Michael Dells are hard at work If you are ever going to take risks in exploring your career options this is the absolute best time to do it says 26 year old entrepreneurial expert Jennifer Kushell Why wait

until you have a semi stable corporate job and major financial obligations to discover that you hate your career and need to make a big change Kushell is the ideal mentor for young people thinking about taking the plunge Her very successful Young Entrepreneurs Network educates teens and twentysomethings in 40 countries about forming their own companies A born entrepreneur her father and aunt are leading experts on franchising and trademark licensing respectively Kushell presided over her own company s growth while attending college full time Her book draws on her invaluable hands on experience It s not so much a how to start a business book as it is a how to cope with life while starting and succeeding in your own business book the author says All I can say is that this is the real deal the real story With wit candor and exuberance for her subject Kushell gives practical and personal insight from a young entrepreneur s point of view to help new business owners get through their first few years The book also teaches you tricks of the trade that you can rely on to compete successfully in a business world with people twice your age and companies God knows how many times as big she adds The Young Entrepreneur s Edge addresses key topics such as trying to obtain capital and writing a business plan which the author says are among the biggest obstacles for young entrepreneurs But the book also tackles critical areas that other business books rarely address how to get older people to take you seriously how not to starve when you re broke how to win your family s approval how to get out and meet important people how not to get carded when entertaining clients and other unique situations faced by young business people Praise for The Young Entrepreneur s Edge Fresh college graduates frustrated by the job search should pick up a copy of this book Los Angeles Times Can help both job seekers and job holders rethink their idea of gainful employment Mademoiselle Entertaining fast reading and immensely sensible Kushell is a human dynamo Sacramento Bee Every young entrepreneur needs good ideas and this book is full of them Fred Deluca founder and president of Subway R Restaurants It is a must read for my students Kathleen R Allen Ph D The Entrepreneur Program University of Southern California

Young Entrepreneurs ,1999 The Entrepreneur in Youth Marilyn L. Kourilsky,William B. Walstad,Andrew Thomas,2007 The Entrepreneur in Youth offers one of the most comprehensive assessments to date of African American Latino and white high school students aspirations knowledge opinions and educational views related to entrepreneurship and philanthropy A key strength is its longitudinal approach to analysis and interpretations made possible by extensive surveys of over 11 000 respondents from high school youth and other groups including adults and business owners The key findings exhibit an extraordinarily high level of interest in entrepreneurship among youth as well as a strong desire to give back to their communities However they lack the knowledge and experience to achieve their aspirations The book s major recommendations and guidelines include challenges to education and other policymakers to expand and enhance opportunities to access entrepreneurship education and early entrepreneurship mentoring shadowing experiences especially for those who demand it the most African Americans and Latinos Meeting these challenges not only will contribute to economic growth and social reform initiatives but also will increase economic and social mobility and access to opportunity for a still largely untapped pool of future entrepreneurs This book will appeal to academics in entrepreneurship economics business and education as well as policymakers educators and business leaders *Entrepreneur* ,1994

Entrepreneurship Alison J. Morrison, 1998 This text looks at the reasons for cultural discrepancies in entrepreneurial behaviour giving a comprehensive understanding of these issues Case studies illustrate key factors relative to the experience of the practising entrepreneur *BK English* J. A. Senn, Carol Ann Skinner, 2001 Upstarts!: How GenY Entrepreneurs are Rocking the World of Business and 8 Ways You Can Profit from Their Success Donna Fenn, 2009-09-08 They're young they're brash they're smart and they're 77 million strong Generation Y is creating startups at an unprecedented rate and their approach to business is unlike anything you've seen The generation described by the media as spoiled entitled even narcissistic is proving these notions false every day Inspired by the rock star entrepreneurs of previous generations and driven by a burning desire to control their own destinies GenY is rewriting the entrepreneurial playbook one cool startup at a time Inc magazine writer Donna Fenn interviewed more than 150 young CEOs to learn what makes them tick While upstarts are motivated by similar aspirations of past generations their way of doing business is radically different and it's changing the way everyone must do business now Upstarts examines and analyzes this entrepreneurial revolution to reveal eight critical lessons every entrepreneur and marketer must learn Fenn describes a generation of entrepreneurs that is highly collaborative and team oriented It's quick and alert when it comes to new technologies It's hell bent on changing the world And it's totally impatient with outmoded business models The sooner you adapt to the new way of business the greater chance you have to grow and profit in the years ahead Upstarts provides key insight into Building collaborative tribes Deploying technology to your competitive advantage Disrupting the status quo Deconstructing the GenY market Generating branding buzz Adopting a social mission Inventing the workplace of the future Reinventing your company Misreading GenY companies could be the biggest business mistake you ever make This forward looking book serves both as a heads up to the far reaching changes coming your way and as a detailed guide to meeting the resulting challenges The upstarts are here to stay Are you
