Buckeye Promises is an anthology of three clean inspirational romances set against the backdrop of WWII. A heartwarming collection from an award-winning author, *A Promise Kept* Softness removed the lines around her eyes. I love you, Art Wilson. Before he could respond, she stood on tiptoe and stole the rest of his breath with a kiss. He deepened the kiss, and thoughts of abandoning the walk played in his mind. Can new love endure heartbreak? Josie Wilson's newlywed life is perfect until her hopes and dreams are shattered by a miscarriage. She's not sure her wounded heart will ever heal. Then Art asks her to open their home to a distant cousin who's been evacuated from England. Will the child open her heart? Or will she remain closed off to the prospect of future pain? Art Wilson adores his bride, but he never anticipated how challenging marriage could be. When grief over the baby they've lost forms a chasm between him and his new wife, he wonders if he has made a horrible mistake. Why can't Josie support him and understand his long hours are necessary as the industry is reeling in the early days of World War II? Will the ravages of war and personal grief tear Josie and Art apart, or will they keep the promises made to each other on their wedding day?

*A Promise Born* Do not decide what I can handle. All I want is honesty. If you're going to steal a kiss, you'd better explain why I'm not good enough. Tears pricked her eyes, and she batted against them. I deserve that. In the midst of World War II, when the Navy WAVES give Evelyn Happ the chance to get out of Washington, DC and contribute to the war effort, she can't leave fast enough. The fact that she can use her college degree to contribute to the war effort makes the assignment even better. She arrives in Dayton, Ohio, to learn the engineers and military professionals don't take her seriously at all. Why is it so hard to believe that she's more than a pretty face? Mark Miller believes the WAVES are an unneeded distraction; the top secret project he's assigned to is critical to the war, and he and his team must focus on cracking the enigma code. Nothing they try works until a beautiful ensign offers solutions that help the engineers succeed in their mission. He's not sure what to think about her, but he has to admit that she's brilliant enough to see the problem from a fresh perspective. He's never met anyone like her and wants to know more. When the actions of a spy put both Mark and Evelyn under suspicion, their loyalties to the country and each other are tested. Will their blossoming relationship survive, or be another casualty of war?

*A Promise Forged* Kat transformed in front of him. Her chin came up, her fingers stopped twitching with the fabric of her gown, and a real sparkle bubbled in her eyes. It was like watching Snow White come to life when the prince kissed her. Kat Miller has dreamed of playing baseball her entire life. When she earns a spot on a team in the All-American Girls Professional Softball League, she finds that things aren't as glamorous as she imagined. She struggles with long road trips, grueling practices, and older teammates who are jealous of her success. And to top it all off, an irritating reporter is constantly getting under Kat's skin. Events in Jack Raymond's career have left him cynical and distanced from God. He never wanted to write at a small paper, and he certainly didn't want to be assigned to something as inconsequential as a women's softball team. Then Kat walks into his life. The fiery young softball player somehow climbs the walls around his heart and makes him want to hope again. When lies fly and the league appears to fail, will Kat and Jack's new love survive?
