mysterious and interesting she thought You should know that I wouldn't be of any assistance without meeting your employer myself That is out of the question Mr Sands replied As I explained The sharp trill of the phone in front of him cut off his words With some uneasy surprise she realized that although he was hiding it pretty well his wide eyed look was one of fear After a moment he lifted the receiver He did not speak into it right away and Carla could hear a masculine voice although she couldn't make out any of the words Mr Sands listened tensely Of course he said before carefully lowering the handset Handing Carla a card He will be expecting you at ten Do not be late I won't be she assured him She didn't know what she was getting herself into but her body tingled excitement
