Fall Down Seven Times Get Up Eight:

Fall Down 7 Times, Get Up 8 Debbie Silver, 2012-05-22 In today's educational setting there seems to be a universal call for student engagement. The topic of student motivation is foremost in almost every attempt at educational reform. Recent research on the topics of motivation, self-efficacy, attribution theory, implicit personality theory, goal orientation, and resiliency has provided new insights about the malleability of mindsets in learners. Appropriate challenges and feedback seem to be the key factors in determining whether a student gives up or perseveres towards an objective. This book is written for teachers, parents, and other student advocates who want to help students become autonomous, enthusiastic, lifelong learners. The purpose of this book is to inform adults about motivational theory and more importantly to give them concrete, applicable guidelines along with specific examples about what to say and what not to say to learners. The title *Fall Down 7 Times Get Up 8* implies that failure is not only a possibility; it is a very concrete way of gaining ground. The author aims to change the conversation from today's "Failure is not an option" to "We can utilize what seems to be failure as the next logical step towards one's goals." Students need to be taught to view failure as a temporary glitch and a step towards success rather than as a permanent state of being. In layman's terms, the author explains the research behind her ideas while offering down-to-earth, often humorous, real-life examples.

Never Give Up Rami Zahr, 2024-10-30 *Never Give Up* is a short yet impactful book designed to help you face life's challenges with resilience and purpose. Through seven simple but transformative rules, it offers insights and personal stories that inspire anyone feeling weighed down by adversity. Whether you're currently struggling with personal hardships, professional setbacks, or emotional battles, these rules provide a way to rise above challenges and stay focused on your goals. This book is especially intended for those who, as young children, faced significant hardships and challenges and now, as they've grown older, seek inspiration and guidance to find their way. Each rule touches on essential values like forgiveness, discipline, and perseverance, offering guidance not only to overcome hardships but to grow stronger through them. With reflective questions at the end of each chapter, *Never Give Up* invites you to reflect on your own journey, helping you connect deeply with the principles and empowering you to move forward with confidence. No matter where you are in life, this book will remind you that every obstacle is an opportunity for growth and every step forward is a victory.
