Journey Back From Hell An Oral History:

The Journey Back from Hell Anton Gill, 1991-09-01 **The Journey Back from Hell** Anton Gill, 1988 This book is a record of oral history as the author recorded the personal testimony of over 100 survivors of the Nazi concentration camps in the course of his enquiry into how they have come to terms with their ordeals since World War II **Gulag Literature and**

the Literature of Nazi Camps Leona Toker, 2019-08-28 A literary scholar examines survival narratives from Russian and German concentration camps shedding new light on testimony in the face of evil In this illuminating study Leona Toker demonstrates how Holocaust literature and Gulag literature provide contexts for each other especially how the prominent features of one shed light on the veiled features and methods of the other Toker's analysis concentrates on the narrative qualities of the works as well as how each text documents the writer's experience in a form where fictionalized narrative can double as historical testimony Toker also views these texts against the background of historical information about the Soviet and the Nazi regimes of repression Writers at the center of this work include Varlam Shalamov Primo Levi Elie Wiesel and Ka Tzetnik and others including Aleksandr Solzhenitsyn Evgeniya Ginzburg and Jorge Sempr n illuminate the discussion Toker also provides context for references to potentially obscure historical events and shows how they form new meaning in the text *The Blessed Abyss* Nanda Herbermann, 2000-09-01 One woman's memories of her deportation to Ravensbr ck

Concentration Camp for Women in July 1941 On February 4 1941 Nanda Herbermann a German Catholic writer and editor was arrested by the Gestapo in Münster Germany Accused of collaboration with the Catholic movement Herbermann was deported to Ravensbr ck Concentration Camp for Women in July 1941 and later released upon direct orders from Heinrich Himmler on March 19 1943 Although she was instructed by the Gestapo not to reveal information about the camp Herbermann soon began to record her memories of her experiences *The Blessed Abyss* was originally published in German under the imprint of the Allied occupation forces in 1946 and it now appears in English for the first time Hester Baer and Elizabeth Baer include an extensive introduction that situates Herbermann's work within current debates about gender and the Holocaust and provides historical and biographical information about Herbermann Ravensbr ck and the Third Reich

Stealth Altruism Arthur B. Shostak, 2017-07-12 Though it has been nearly seventy years since the Holocaust the human capacity for evil displayed by its perpetrators is still shocking and haunting But the story of the Nazi attempt to annihilate European Jewry is not all we should remember *Stealth Altruism* tells of secret non militant high risk efforts by Carers those victims who tried to reduce suffering and improve everyone's chances of survival Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality Arthur B Shostak explores forbidden acts of kindness such as sharing scarce clothing and food rations holding up weakened fellow prisoners during roll call secretly replacing an ailing friend in an exhausting work detail and much more He explores the motivation behind this dangerous behavior how it differed when in or out of sight who provided or undermined forbidden care the differing experiences of men

and women how and why gentiles provided aid and most importantly how might the costly obscurity of stealth altruism soon be corrected To date memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors of the Holocaust Humanity needs such inspiration **The Jewish Book Guide** Wendy Bernstein Schauder,1990-05-01 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) *The New York Times Book Review* ,1992-10 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback Holocaust Testimonies Thomas Pegelow Kaplan,Wolf Gruner,Miriam Offer,Boaz Cohen,2025-05-15 Close to a time when there will be no more survivors to speak about their suffering this innovative study takes much needed stock of the past present and future of Holocaust testimony Drawing from a vast range of witness accounts including a never before published survivor interview and carefully situating analysis within broader historical and political discourses this international team of scholars address many pertinent issues of testimony in the post witness age These include questions of representation and testimony form memory politics and the role of the witness the legacy of the Holocaust and impact on future generations the digital turn and issues of access and gender and testimony in the wake of MeToo Stressing the importance of re assessing re contextualizing and re presenting testimonies these essays make a powerful case for the ongoing centrality of witnesses and witnessing in Holocaust research education and memory In doing so Holocaust Testimonies skillfully paves the way for future research with survivor testimonies *The Utne Reader* ,1990 **Oral History** ,1997 **Chronicles** ,1991 **Foreign Affairs** ,1989 *On Listening to Holocaust Survivors: Beyond Testimony* Henry Greenspan,2010-11 Challenges conventional wisdom and wisely transforms the process of discerning and responding to what survivors of the Holocaust and other genocides have to say When Truth was Treason Blair Holmes,Alan Frank Keele,1995 A chilling true story of four courageous teenagers who defied the Nazis Based on a first person account by one of the surviving conspirators Karl Heinz Schnibbe a working class son of the city of Hamburg this book provides a vivid chronicle of the brave young men who faced the awful tyranny of a nation s darkest hour 20 photos On Listening to Holocaust Survivors Henry Greenspan,1998-09-30 How do Holocaust survivors find words and voice for their memories of terror and loss This landmark book presents striking new insights into the process of recounting the Holocaust While other studies have been based typically on single interviews with survivors this work summarizes twenty years of the author s interviews and reinterviews with the same core group In this book therefore survivors recounting is approached not as one time testimony but as an ongoing deepening conversation Listening to survivors so intensively we hear much that we have not heard before We learn for example how survivors perceive us their listeners and the impact of listeners on what survivors do in fact retell We meet the survivors themselves as distinct individuals each with his or her specific style and voice As we directly follow their efforts to recount we see how

Holocaust memories challenge their words even now burdening survivors speech distorting it and sometimes fully consuming it It is not a story insisted one survivor about his memories It has to be made a story On Listening to Holocaust Survivors shows us both the ways survivors can make stories for the not story they remember and just as important the ways they are not able to do so Kliatt Young Adult Paperback Book Guide ,1990 Nazi History and the Holocaust ,1999 Structure, Culture, and History Sing C.
