**Safeword** Candace Blevins, 2015-01-08 Cassie's introduction to kink throws her for a loop until a friend and his slave give her a gentle introduction. Unfortunately, her friend has issues when it comes to kinky activities with women, so Cassie goes looking for someone else to teach her. She knows how to be safe, but a disastrous adventure ends with an ambulance ride to the emergency room and the three men it hasn't worked out with all come together to nurse her back to health. Two Doms and two submissives in one house should be a nightmare waiting to happen, though under the right circumstances could be a dream come true.
