### **Palliative Care Assessment: Spiritual Impact in the Lives of Patients with Cancer at Roswell Park**

**Revelation in the Song of Songs** Vola Masoandro Andrianarijaona, 2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God's names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God's laws Of course Even the sealing of God's people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book
