of the dedicatee Geoffrey Parker whose life and work are discussed in the introductory chapters and we're proud to say in a delightful chapter by Parker himself an autobiographical reflection that closes the book **Instructor**,1976 **Teaching and Learning Through the Holocaust** Anthony Pellegrino,Jeffrey Parker,2022-12-16 This book serves as a critical resource for educators across various roles and contexts who are interested in Holocaust education that is both historically sound and practically relevant As a collection it pulls together a diverse group of scholars to share their research and experiences The volume endeavors to address topics including the nature and purpose of Holocaust education how our understanding of the Holocaust has changed and resources we can use with learners These themes are consistent across the chapters making for a comprehensive exploration of learning through the Holocaust today and in the future **The Library World**,1966
