Ein Liberaler In Kaiserreich Und Republik:

Republican and Fascist Germany John Hiden, 2020-10-28 This important addition to modern German studies treats the Weimar Republic and the Third Reich as a continuum exploring its themes through the 1920s and 1930s without artificial breaks John Hiden looks at key issues in political social and economic history and in international relations He highlights Germany's potentially constructive role in Europe before Hitler analyses the country's structural problems considers the importance of personalities and personal responsibility in the period and examines the legacy of the Third Reich to postwar Germany Filled with energy and ideas the book has an intellectual substance far beyond its relatively modest length

Theil. Das liberale Kaiserreich und der französische Parlamentarismus oder Wahlperiode und friedlicher Winter 1869-70 G. Schneider (Publicist.), 1872 **The German-Jewish Dilemma** Edward Timms, Andrea Hammel, 1999 These essays analyze the problems which have affected the evolution of German Jewish relations since the Enlightenment showing how the project of emancipation was subverted by countercurrents of antisemitism and anxieties about national identities in a society in the throes of modernization It emphasises the importance of social and historical context offering a differentiated account of the difficulties of emancipation the sense of alienation which is such a characteristic feature of German Jewish discourse and the culmination of various forms of anti semitism in the politics of persecution and genocide The close focus on specific journals and institutions writers and texts reveals the tortuous complexity of German Jewish relations with a final emphasis on resistance survival and commemoration

foreign minister and chancellor of Weimar Germany Gustav Stresemann is a familiar figure for students of German history one who for many embodied the best qualities of German interwar liberalism However a more nuanced and ambivalent picture emerges in this award winning biography which draws on extensive research and new archival material to enrich our understanding of Stresemann's public image and political career It memorably explores the personality of a brilliant but flawed politician who endured class anxiety and social marginalization and who died on the eve of Germany's descent into economic and political upheaval *Unsere Zeit*, 1871 *Das Ideal des schönen Lebens und die Wirklichkeit der Weimarer Republik* Roman Köster, 2009-04-22 Im Rahmen des George Kreises wurde das Idealbild einer guten Ordnung nicht im Bereich des Utopischen belassen sondern in der Lebens und Forschungspraxis der Kreismitglieder zu verwirklichen versucht
