Edited by  
Viktor Jakupec and Max Kelly

# Assessing Impact Foreign Aid Value

**United States**

## Assessing Impact Foreign Aid Value:

**Development Aid—Populism and the End of the Neoliberal Agenda** Viktor Jakupc,2017-12-04 This volume examines the impact of the Trump presidency on development aid. It starts out by describing the rise of national populism the political landscape and the reasons for rejection of the political establishment both under Trump and internationally. Next it gives a historical political overview of development aid in the post WW II era and discusses the dominant Washington Consensus doctrine and its failure. It then provides a critique of the Official Development Assistance ODA discourse and reviews the political economy of ODA the discourse and the conditionalities that are barriers to socio economic development. The final chapters explore the question of Trumponomics as an alternative to the global neoliberal ODA and the potential impact of Trumponomics on ODA. The book concludes with thoughts on the potential future directions for ODA within the ideals of Trumponomics and national populism

**The Human Rights Principle of Indivisibility** Dorothea Anthony,2025-09-24 The indivisibility principle holds that all human rights are equally important and should be respected in equal measure. This book provides a comprehensive explanation and analysis of indivisibility its meaning s history ideological significance benefits and shortfalls. In this way the work brings indivisibility into the realm of critical thought that the principle of universality for example has long occupied. The work examines representations of indivisibility across multiple legal and academic sources from the last several decades in which interest in indivisibility and human rights has grown exponentially. It lucidly details how indivisibility has been used to legitimise the human rights project and fortify associated social campaigns. It illustrates the human rights community s sincere enthusiasm for indivisibility. But it also questions the politics behind the renewed promotion of indivisibility and its declared goals. The book is structured according to these goals or social functions that indivisibility has come to take on since it was popularised at the World Conference on Human Rights. In addressing the functions of indivisibility the book uncovers fascinating dynamics underpinning the principle and mainstream human rights theory in general. It reveals a paradox in which contemporary indivisibility both challenges and supports the traditional human rights catalogue and the social system out of which the principle arose. It asks whether persisting social contradictions and divided interests in the post Cold War world might weaken the moral claims to a new undividedness of rights and lead to the conclusion that we should be more realistic about how human rights law and policy have evolved and what they have to offer. The book will be of interest to academics researchers and policy makers working in the areas of human rights studies international law political science and the humanities

**Multinationals, Poverty Alleviation and UK Aid** Jo-Anna Russon,2023-10-12 This book analyses the complex relationship between the private sector UK official development assistance ODA and poverty alleviation in sub Saharan Africa. In recent years the private sector has occupied an increasingly prominent position within UK ODA bringing a range of opportunities and conflicting interests. This book first traces the trajectory of private sector engagement in ODA before setting out the theoretical and analytical

framework for analysing the mutual prosperity agenda in UK ODA the notion that ODA can benefit both donor and beneficiary country interests By extending corporate social responsibility theory in the emerging field of business and development studies to ODA the book critiques the underlying assumptions contained within UK ODA multinational corporation partnerships With reference to three case studies GlaxoSmithKline plc Barclays plc and Anheuser Busch InBev formerly SABMiller the book identifies where the activities of multinational corporations support and or undermine ODA goals and the implications for the UK s mutual prosperity agenda Overall the book reflects a pragmatic approach to maximising the role of private sector actors in ODA whilst also drawing attention to the opportunities and challenges in the mutual prosperity agenda The book will be of interest to researchers from business management development studies and political science as well as to practitioners with an interest in the role of the private sector in ODA

**Fostering Trade in Africa** Gbadebo O.A. Odularu,Mena Hassan,Musibau Adetunji Babatunde,2020-03-09 This book discusses trade relations and facilitation issues at both the regional and the continental African level highlighting the increasing business opportunities and challenges that confront Africa in the digital age It also examines the effects of trade policies and other policy instruments on Africa s economic development and presents workable policy measures for a more business friendly ecosystem Discussing various topics including trade relations between African countries African and international trade agreements and trade liberalization policies the book appeals to scholars of economics business and management as well as professionals and policymakers interested in fostering free trade and sustainable business development in Africa

**Assessing the Impact of Foreign Aid** Viktor Jakupc,Max Kelly,2015-11-10 Assessing the Impact of Foreign Aid Value for Money and Aid for Trade provides updated information on how to improve foreign aid programs exploring the concept and practice of impact assessment within the sometimes unproblematic approaches advocated in current literature of value for money and aid for trade Contributors from multi lateral agencies and NGOs discuss the changing patterns of Official Development Assistance and their effects on impact assessment providing theoretical political structural methodological and practical frameworks discussions and a theory practice nexus With twin foci of economics and policy this book raises the potential for making sophisticated and coherent decisions on aid allocation to developing countries Addresses the impact of aid for trade and value for money rather than its implementation Discusses the changing patterns of Official Development Assistance and their effects on impact assessment providing theoretical political structural methodological and practical frameworks discussions and a theory practice nexus Assesses the effects and implications of the value for money and aid for trade agendas Highlights economic issues

**An Assessment of A.I.D.'s In-country Presence** Ronald D. Levin,1993

**Foreign Assistance and Related Agencies Appropriations for 1975** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Agencies (1968?-1978),United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Agencies Appropriations,1974

**Technology Assessment--1970** United States. Congress. House. Committee on Science and Astronautics. Subcommittee on Science, Research, and Development,1970 Defining and Assessing the Impact of Information on Development International Federation for Information and Documentation,2000 Describes the development of a research project started in 1992 to assess the impact of information on development processes particularly decision making in developing countries Explains the planning and organization of the project and outlines the methodological framework Examines the lessons learned from eight case studies designed to test the methodology and identifies major themes for future research *Technology Assessment -- 1970* United States. Congress. House. Committee on Science and Astronautics,1970 *Foreign Assistance Reporting Requirements ,1989* **New Perspectives on Foreign Aid and Economic Development** B. Mak Arvin,2002-05-30 Annotation Evaluates emerging questions about the allocation and efficiency of aid reasoning that the success and failure of aid programs is shared jointly by donors and recipients **Quarterly Journal of International Agriculture ,1992** Social and Economic Studies ,1958 **Measuring Effectiveness in Humanitarian and Development Aid** Andre M. N. Renzaho,2007 Donor countries are currently scaling up their aid programmes in response to strategies proposed through the Millennium Development Goals Recent positive research on the impact of foreign development aid has led to increased expectations on the part of donor countries Research suggests that per capita income growth over the last decade would have been lower in the absence of aid and also that public sector expenditure on health and education in developing countries would not have been as great without aid inflows However there still remain many significant gaps in knowledge on aid allocation and effectiveness This book addresses a number of these gaps and provides many new and important analytical insights into aid Among the topics covered are the interface between aid allocation and perceptions of aid effectiveness the inter recipient concentration of aid from non government organizations the year on year volatility of aid impacts of aid on public sector fiscal aggregates and evaluation of the country level impacts of aid The book is an essential companion for professionals engaged in aid policy reforms and also for scholars in the areas of development economics international finance and economics **United Nations Common Country Assessment, Samoa ,2002** **Joint Assessment of U.S. Assistance Programs in Senegal ,1980** Strategic Assessment 1996 Patrick Clawson,1996 *Parliamentary Debates (Hansard)*. Australia. Parliament. Senate,1999 United States Code Annotated United States,2004 Comprises all laws of a general and permanent nature under arrangement of the official Code of laws of the United States with annotations from Federal and State courts
