Acting Class Acting Class:

The Acting Class ,2017 **Toward Mastery** Nikos Psacharopoulos,1998 What makes for great acting Nikos Psacharopoulos answers the question here as he leads his students toward mastery on a journey not for the faint of heart In a dynamic series of classes at Yale and NYU running the gamut from beginners anguish to advanced actors triumphs Nikos tests his charges talent intellect and courage Again and again he shows why he was a great teacher a pioneering artistic director at Williamstown and an inspiration to hundreds of major careers in the American theater With wit and vitriol persuasion and bottomless energy Nikos instills in his students the conviction that the authentic qualities behind great acting are as teachable as the most basic technical tools Backed up by moving and perceptive comments from some of his closest associates he proves that one can definitely aim for great acting and in some cases achieve it Acting Class Milton Katselas,2008-10-01 Some of the many celebrated actors who benefited from the guidance of legendary acting teacher Milton Katselas include Jim Carrey Kyle Chandler George Clooney Ted Danson Kate Hudson Justina Machado Michelle Pfeiffer and Tom Selleck to name just a few As the founder of the prestigious Beverly Hills Playhouse Milton Katselas was regarded by many as one of America s foremost directors teachers Originally available only to students at the Beverly Hills Playhouse **Acting Class Take a Seat** presents the concepts and methods that helped lead a generation of actors to success on stage in cinema and on television In this all encompassing book Katselas invites readers to sit in on the classes he taught for more than forty years **Acting Class** covers in detail three concepts central to the Katselas approach **Acting Attitude** and **Administration** Katselas not only covers techniques and methods but also includes valuable discussions on the attitudes any artist needs to fulfill their dreams **Mastering Shakespeare** Scott Kaiser,2012-01-12 Who says only the British can act Shakespeare In this unique guide a veteran acting coach shatters that myth with a boldly American approach to the Bard Written in the form of a play this volume s characters include a master teacher and 16 students grappling with the challenges of acting Shakespeare Using actual speeches from 32 of Shakespeare s plays each of the book s six scenes offer proven solutions to such acting problems as delivering spoken subtext using physical actions to orchestrate a speech creating images within a speech dividing a speech into measures and much more I Don't Need an Acting Class Milton Justice,2021-11-01 **I Don t Need an Acting Class** explores critical aspects of the technique of acting utilizing conversations via email with countless actors Some are aspiring students others are seasoned professionals The conversations document the challenges these diverse actors face as they digest what they have learned in a class or rehearsal while exploring in practical terms how to use their growing technique Milton Justice first began receiving emails from actors in 2008 In this book Justice brings together email conversations between teacher and student along with observations and commentary about acting technique and craft Not all of the emails in the book are overly thought out or complete Quite the contrary they are meant to capture the feeling of a living breathing process as it happens When an actor sends a teacher or director an email with a

problem be it a simple comment or confusion it is evidence of a creative artist exploring new ground Many years ago Stella Adler sent Justice a letter in response to a panicked note he had written to her while lost in the weeds during rehearsals for a new play She set a tone for him as she succinctly defined the problem and reminded him of its elegant solution He was overwhelmed by the care she had given him That letter still hangs over his desk perfectly demonstrating the power of a written exchange between a teacher and a student A Year in Acting Class Duane Daniels,2023-09-17 It takes a lot of chutzpah to take an acting class They can also be expensive And good ones can be very difficult to find I have been teaching acting for about 20 years Before that I was an actor director and producer I still do those things I like breaking down the process in definable actionable ways We created new ways of looking at the actor s mindset How to succeed in high stakes situations like opening night or a big audition The Actor s Workhouse was born I recorded a year s worth of Workhouse classes Three classes per week over about 40 weeks A lot of great people participated There are beginning actors as well as a few veterans These are highlights of our conversations I am grateful to these actors Determined passionate humble driven Some of the students in these classes were with us the entire year and some came for a month or two Most actors were in class about once a week Alejandro was in about a hundred of these sessions You re invited to sit in on class
