Avoiding The Cosmic 2x4:

Avoiding the Cosmic 2x4 Rita Louise, 2004-09 **The Dysfunctional Dance Of The Empath And Narcissist** Rita Louise, PhD, 2020-01-12 When people enter into a new relationship they do not go looking for the rotten apple at the bottom of the barrel. However, countless individuals repeatedly find themselves in these hurtful situations and do not understand why. A recent Facebook survey of people who self-identify as being empathic revealed a startling insight: Over 80% of the 1,300 respondents disclosed they had suffered from some form of abuse or neglect during their childhood. Organizations such as the American Psychiatric Association have also identified early childhood trauma as the cause for the development of severe narcissist tendencies. An interesting dynamic often develops between the loving, compassionate and often selfless empaths and those willing to take from them: the self-serving narcissists. Both look to heal their inner wounds in the arms of the other. **The Dysfunctional Dance Of The Empath And Narcissist** takes an in-depth look at the unconscious patterns that keep individuals trapped in cycles of abusive relationships. It endeavors to raise people's awareness to the ingrained programming going on deep inside and help the reader understand how they keep getting into these situations in the first place. Regardless of what happened to a person when they were young, they have the power to redefine themselves and their life. It is possible to break free of these destructive, negative patterns and finally experience the loving, healthy relationship they have always desired.

The Afterlife Book Marie D. Jones, Larry Flaxman, 2023-06-06 A profound and fascinating exploration of death and the afterlife. Christian and other religious beliefs, rituals from around the world, quests for immortality, scientists' conclusions, ghosts, and more. What happens when we die? Many view it as a mystery, but there are tantalizing clues to be found in the Bible and other religious scriptures, scientific findings, historical writings, literature, reports of near-death experiences, and in many other recorded sources. Facing the contradictions and similarities of beliefs from all over the world and throughout history, **The Afterlife Book: Heaven, Hell, and Life After Death** shows how death and the afterlife is viewed in a variety of different ways. This engrossing guide looks at the many competing views of the afterlife and the shared connections between them, including: Where ideas of Heaven and Hell came from and why they endure. What happens during near-death experiences and out-of-body experiences. What is known about reincarnation and immortality. How death is linked to ghosts and apparitions, mediumship, and spiritualism. How the quest for immortality and transhumanism may play a role in one day ending death. How science and spirituality can often say the same thing only in different languages and terminologies. How death and the dead have been celebrated, memorialized, and honored in the past and present. What happens to the human body just before, during, and immediately after physical death. What happens to the cells, tissues, heart, and brain as a result of the physical process of dying and decomposition. How burial and cremation traditions, rites, rituals, and controversies address consciousness and the existence of a soul. What religious leaders, philosophers, and scientists have to say about consciousness and the soul. Whether animals and pets have souls. Is death just a mysterious phase in our journey? Does it lead to Heaven or

Hell Is it reincarnation or simply eternal blackness and unconsciousness Do we continue to exist in some form or other beyond our physical bodies The Afterlife Book tackles these questions and gives us all hope that our lives do not come to an end but change like the natural cycles of birth life death and rebirth It s many photos and illustrations help bring the text to life and its helpful bibliography and extensive index add to its usefulness **Atlantis Rising Magazine - 121**
