Awana Secretary Forms:

Creating a Successful Christian Marriage Cleveland McDonald, Philip McDonald, 2008-04-01 This classic text written by a father and son team looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating, engagement, and early marriage. The authors treat such practical matters as communicating, working through interpersonal differences, and growing in relationships within the family. They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture. Other topics covered include parenting, extended family relationships, finances, and nontraditional families. Now available in paperback.

, 1993 **Report of the 1st ...** United Nations. Economic Commission for Africa, 1967 *African-on-African Colonization*

Carlson Anyangwe, 2024-08-22 *African on African Colonization: The Ill Fated Ambazonia Cameroun Political Partnership* is an extensive study of the phenomenon of African on African colonialism in postcolonial Africa an egregious and vexed development that is causing instability and insecurity in many parts of the continent. Using Ambazonia as a case study, Carlson Anyangwe discusses two manifestations of colonialism that emerged from the ashes of white colonialism: neo-colonialism and African on African colonialism and how Ambazonia has been impacted by both. Anyangwe also examines the Ambazonia Cameroun political association that was later turned into Ambazonia, formerly British Southern Cameroons to explore Cameroun's colonial occupation of Ambazonia and Ambazonia's long struggle to be free and accede to sovereign statehood. Interweaving several complex issues garnered from historical sources, political developments, and eye witness accounts, this book provides a deeper understanding of the complexity of motives and concatenation of forces in Ambazonia, expressing the critical need to decolonize Ambazonia in an era of freedoms and democratization. This book is a compulsory reading for Ambazonians and scholars of the distorted history of Ambazonia and Cameroun.

Betrayal of Too Trusting

a People. The UN, the UK and the Trust Territory of the Southern Cameroons Carlson Anyangwe, 2009-08-15 There is a growing body of literature on what was originally envisioned as a free political association of the French and British Cameroons and its dramatic effects on the British Cameroons community. Anyangwe's new book is an attempt to write the history of the Southern Cameroons from a legal perspective. This authoritative work describes in great detail the story of La République du Cameroun's alleged annexation and colonization of the Southern Cameroons following the achievement of its independence while highlighting the seeming complicity of the United Nations and the British Trusteeship Authority. In the process, Anyangwe unravels a number of myths created by the main actors to justify this injustice and in the end makes useful suggestions to reverse the situation and to restore statehood to the Southern Cameroons. The book is rich in archival research and informed by a global perspective. It convincingly shows the uniqueness of the Southern Cameroons case.
