Complete all parts of this template by replacing the bracketed text with your responses. Submit for grading and feedback. See the Module Two Required Resources section and visit Chapter One of the textbook, *Principles of Learning: Online Success*, for support with this assignment.

1. What is your preferred receptive learning style? Choose from the following (you may choose more than one):
  - Read/write learning style.
  - Visual/graphic learning style.
  - Auditory/verbal learning style.
  - Tactile/kinesthetic learning style.

How will understanding your learning style help you support your success inside and outside of the classroom?

My preferred receptive learning styles are listed below:

- Read/write learning style.
- Auditory/verbal learning style.

Understanding my learning style and knowing how I learn the most effectively will not only help me in a class setting or on my academic journey but also in life. Being able to understand how my brain best learns as a student can allow me to spend less time studying, become more organized, and get better grades. Once I go into the workforce, knowing how I learn can allow me to learn new skills in a workforce setting more quickly, expand my current skill set easily, and allow room for improvement and advance me in my career field.

2. Identify a problem-solving technique or method you have used in a previous situation and explain how it worked for you. Identify how these methods might look different in diverse cultures or different fields of work.
  - Two problem-solving techniques I have used most often are Gut Instinct (Insight problem-solving) and Trial and Error (Problem-solving) solutions.
