Alive A Cold Case Approach To The Resurrection:

Alive J. Warner Wallace, 2014-03-01 If Christ has not been raised your faith is futile you are still in your sins 1 Cor 15 17 The resurrection As far as doctrines go it s a game changer Many accept the resurrection without giving it much thought But isn t something so important worthy of our wrestling with it What if we approached the issue of the resurrection in an unbiased manner and assessed it as a cold case detective would evaluate a crime scene Author J Warner Wallace is a cold case detective He also used to be an atheist Follow along in this brief presentation of his approach in applying his detective s expertise to the accounts of the resurrection Wallace believes the case is nothing but compelling Jesus is alive The Debaters of This Age Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time **52 Apologetics** Michael D. Finney, 2023-12-06 Is the Bible God s Word Yes Is Jesus the Messiah the Son of God and the only Mediator between a sinful people and a perfect holy and righteous God Yes Is the Christian faith supported by reasonable provable historical archaeological and philosophical evidence Yes yes and yes The word apologetics comes from two Greek words apo out from and logos logic and it literally means to give out a logical defense apologia In Christianity it means to give out logical reasons for our faith to defend the truth of Scripture and to give reasons for believing in Christ Like Paul I am set for the defense apologia of the gospel Philippians 1 17 Like Peter I am ready always to give an answer apologia to everyone who asks why I trust Christ 1 Peter 3 15 Like Jude I am prepared to earnestly contend epi agn zomai agonize fight for the faith Jude 3 I have written this book to defend and contend for the Christian faith I want to let others know why I believe the Bible is God s Word and Jesus is God s Son 2 Timothy 3 16 John 1 34 **Not God Enough** J.D. Greear, 2018-02-06 Pastor and author J D Greear reveals that the secret to a robust passionate faith isn t getting all the right answers about God but seeing God as the awesome glorious and infinite presence that He is We like God small We prefer a God who is safe domesticated who thinks like we think likes what we like and whom we can manage predict and control A small God is convenient Practical Manageable For us thinking of God

as so infinitely greater and wiser than we are and who would cause us to tremble in his presence is a leftover relic from an oppressive archaic view of religion But what if this small version of God we've created is holding us back from the greatest experience of our lives from genuine confident world transforming faith In Not God Enough J D reveals how to discover a God who is big enough to handle your questions doubts and fears is not silent is worthy of worship wants to take you from boring to bold in your faith has a purpose and mission for you on earth is pursuing you right now The truth God is big Bigger than big Bigger than all the words we use to say big Only a God of infinite power wisdom and majesty can answer our deepest questions and meet our deepest longings God is not just a slightly better slightly smarter version of you God is infinite and glorious and an encounter with Him won't just change the way you think about your faith It'll change your entire life

Case Closed (Bundle Of 10) J. Warner Wallace, 2025-09-02 Speaking to those who are skeptical of Christianity cold case detective J Warner Wallace offers a simple and concise approach to proving the resurrection of Jesus in this convenient evangelism booklet Nothing is more foundational to the Christian faith than Jesus's resurrection But subjective emotional arguments won't convince skeptics that the resurrection happened What if instead we approached their questions with the unbiased fact based manner of a cold case detective evaluating the scene of a crime Taken from bestselling book Cold Case Christianity the Case Closed booklet by homicide detective and former atheist J Warner Wallace asks and answers critical questions such as Could the disciples have been wrong about Jesus's death What if the disciples made up the story of the empty tomb Could Jesus's followers have been delusional or fooled Point by point the author explains how the evidence for the resurrection is sufficient The conclusion is reasonable And the news is life changing Available in packs of ten Case Closed is a powerful evangelism tool for a generation hungry for hope [The Complete Works of Count Tolstoy: Resurrection, v. 2.](#) [What is art?
