St. John Damascene on Holy Images Saint John (of Damascus), 1898 **St. John Damascene on Holy Images (pros tous diavallontas tas hagas eikonas) ; Followed by Three Sermons on the Assumption (koimēsis)** Saint John (of Damascus), 1898 **Christianity and the Limits of Materiality** Minna Opas, Anna Haapalainen, 2017-06-29

Despite the fact that Christianity is understood to be thoroughly intertwined with matter, objects and things, Christians struggle to cope with this materiality in their daily lives. This volume argues that the ambivalent relationships many Christians have with materiality is a driving force that contributes to the way people in different Christian traditions and in different parts of the world understand and live out their religion. By placing the questions of limits and boundary work to the fore, the volume addresses the question of exactly how Christianity takes place materially, addressing a gap in studies to date. Christianity and the Limits of Materiality presents ground-breaking research on the frameworks and contexts in relation to and within which Christian logics of materiality operate. The volume places the negotiations at the limits of materiality within the larger framework of Christian identities and politics of belonging. The chapters discuss case studies from North and South America, Europe and Africa and demonstrate that the limits preoccupy Christians, delimit their lives but also enable many things. Ultimately Christianity and the Limits of Materiality demonstrates that it is at the interfaces of materiality and the transcendent that Christians create and legitimise their religion.

Delphi Collected Works of John of Damascus (Illustrated) John of Damascus, 2025-10-16

Saint John of Damascus was an eighth-century monk and theological doctor of the Greek and Latin churches. His treatises on the veneration of sacred images placed him in the forefront of the Iconoclastic Controversy and his theological synthesis made him a preeminent intermediary between Greek and Medieval Latin culture. Also ascribed to John is *Barlaam and Ioasaph*, one of the best-known examples of the hagiographic novel. It tells the tale of an Indian prince that becomes aware of the world's miseries and is converted to Christianity by the monk Barlaam. Delphi's Medieval Library provides eReaders with rare and precious works of the Middle Ages with noted English translations and the original texts. This eBook presents John of Damascus' collected works with illustrations, rare texts and the usual Delphi bonus material. Version 1: Beautifully illustrated with images relating to John's life and works. Features the collected works of John in both English translation and the original Greek.
