*Called to Plant* Sergio Quevedo,2025-10-30 What if planting new communities of believers was not just for a select few but for everyone who wants to join God in His mission What if it wasn t that complicated or expensive and planting a church became the byproduct of faithful disciple making What if you could plant a church community that would reach and embrace all those friends you always wanted to present Jesus to

but who would never connect with a more traditional established church That would be EPIC *Apostolic Imagination* J. D. **Growing New Churches** Carl W. Moorhous, 1975 **50 Earmarks of an Apostolic Church** Jonas A. Clark, 2000-08-01 50 Earmarks to Identifying an Apostolic Church in Your City Jesus said I will build my Church and the gates of hell shall not prevail What kind of Church is Jesus building Is it a religious church A traditional church A defeated church Or a glorious Church without spot or wrinkle We are experiencing a paradigm shift in ministry The Holy Spirit is moving us into a time of the restoration of apostolic ministry All over the world God is birthing apostolic churches But what do they look like What makes them different Christ gave five gifts of apostles prophets evangelists pastors and teachers to equip you for the work of ministry Get ready for the manifestation of His glorious Church **New Church Planting in the United States** Robert Laurence Girdwood, 1973 [The Apostolic Movement for Students](#) Team Impact Team Impact Christian University, 2016-05-20 Apostolic ministry is grounded in the fact that the God of Scripture is a sending God who graciously reaches out to a fallen world Jesus is both the supreme revelation of the God who sends and the perfect example of one who is sent as an apostle The church is an apostolic people sent into the world Jesus appointed the Twelve with unique authority as witnesses to the resurrection Paul shared in that unique authority but also demonstrated that the ministry of apostle

continues in a functional sense The spiritual gift of apostle is given to individuals to equip the whole church in its apostolic calling Apostles are called by God but their calling is to be recognized by the body of Christ The ministry of an apostle is trans local and involves both church planting and strengthening existing churches The authority of an apostle is determined by the apostle s willingness to be a servant of the gospel and of the body of Christ An apostles are recognized by their pioneering and translocal ministry of church planting and church strengthening Apostles function best as leaders of apostolic bands that are in partnership with local churches Throughout history various individuals at the forefront of the church s mission have demonstrated an apostolic ministry Today a number of models of ministry point the way to the contemporary functioning of apostolic ministry Apostolic ministry functions best when it is conducted in both power and weakness As such it reflects the dual reality of the cross and resurrection in the ministry of the apostle The gift of apostle has been given for the church s strengthening and equipping in its mission Individuals with an apostolic ministry should be recognized and released to that function if the church is to be true to its calling in the world The church began its existence as a missionary movement The church is apostolic not only because its teachings are founded on the Apostles but because it is commanded by Jesus to take the gospel to every people group and wherever the gospel is met with faith to found churches that continue the process

**Ken Sumrall and Church Foundational Network** Terry D. Shiver, 2015-12-04 This is the first extensive examination of the life of Ken Sumrall and his firm belief in the modern day apostolic restoration movement It presents Sumrall s journey from his Baptist beginnings through his experience of the baptism of the Holy Spirit through his learning struggles with Liberty Fellowship of Churches and Ministers and into his birthing of Church Foundational Network It represents Sumrall in his own light while dealing with his paradigm changes concerning church government the heart of which revolved around the restoration of modern day apostles Godly government was grounded in godly relationships with one s apostle whom Sumrall understood as a spiritual father For Sumrall the best biblical government for the New Testament church today is a theocracy Instead of a centralized hierarchical church government Sumrall advanced a decentralized network of churches connected relationally This volume contains the major influences upon Sumrall s thinking and the progress of his comprehension of the life of the church as family Moreover it engages some of the apprehensions that have surfaced over the present day apostolic movement and provides insights of the direction and survivability of the movement **The Apostolic Rising** Jay

Leach, 2021-02-05 IF YOU KNOW WHAT YOU ARE DOING IS WRONG WHY CONTINUE TO TRAIN OTHERS TO DO THE SAME The Church is not only the community of the redeemed but also the redeeming community of the lost We are not only commanded by our Lord and Savior but also impelled by the indwelling Spirit of God to declare the message of God s redeeming love and reconciliation in Jesus Christ to all peoples I see a new apostolic generation rising in the earth today who are radically Christ centered Acts 1:8 This Spirit filled new wineskin will hold the new wine God is pouring out The new is simply a restoration of what has been lost for 2000 years What we need most is a renewal of the understanding practice and

commitment to the Great Commission of the early apostolic church of whom it was reported They turned the world upside down Many local churches are offering institutional religious substitutes Dr Leach argues Pastors If what you are doing is wrong unbiblical and you know it why do you continue to train others to do the same He insists that we are trying build Christ s Church and kingdom without Him using man made standards plans and blueprints If Christ is really the true foundation of what you are building why can t your instructions be found in the Letters and the Book of Acts Displaying His love Jesus counsels As many as I love I rebuke and chasten Therefore be zealous and repent He who has an ear let him hear what the Spirit says to the churches Revelation 3 19 22      The Apostolic Revelation John Kingsley Alley,2002 God is progressively releasing into the earth powerful apostolic and prophetic anointings and is restoring the apostolic nature of the church itself Every Christian needs to prayerfully consider the message of this book and hear what the Spirit is saying to the church The change is ongoing and God is acting in the history of the church and nations The Apostolic Revelation unveils a series of dynamic concepts that are crucial to the life of the church and the restoration of its apostolic power It establishes benchmarks for the apostolic ministry and gives definition to the apostolic structure of the church Here is a revelation of apostolic methods and God s heart for the church and its leadership In this study today s apostolic message is harmonised with and grounded in the apostolic revelation of Christ given to Paul the apostle to the Gentiles This work is the result of 13 years of inquiry searching the mind of the Spirit regarding the place of apostles today and seeking to understand what it means for the church to be the mature apostolic church Apostolic grace is for every believer This book seeks to equip you to receive a greater grace and prepare you for the astounding days ahead
