Safekeeping Roxie Noir,2022-10-10 I don't need a bodyguard My stalker is fake I'm positive those letters were written by my controlling ultra religious father so he'd have an excuse to hire someone to watch my every move It's just my luck that he's a U.S. Senator and my new bodyguard is a Secret Service agent with one strike left It's worse luck that my new bodyguard isn't just hot he's nice Gabriel treats me like I'm more than a bargaining chip or a potential wife to do his cooking and cleaning He laughs at my jokes He listens to my opinions When he thinks I'm hurt he goes ballistic And when he catches me sneaking out of my family's house he keeps my secret He even buys me a drink Just because he's sweet protective and fills out a suit like nobody's business doesn't mean I can trust him He's still working for my father and his job is on the line If only that were enough to keep me from sneaking into his room every night Now we're keeping a secret that could ruin us both I need a way out He needs a way back in There's no way this can work but I've always had faith Safekeeping is a high heat standalone romance It's for fans of bodyguards super protective heroes high stakes secret relationships and anyone who's been at odds with their family The hero is a Secret Service agent who's not about to let anyone touch the heroine and the heroine is plucky brave and not afraid to find her own way It's a steamy high stakes story and of course there's an HEA This standalone is for fans of Lauren Landish Nicole Snow Cate C.
