The Calf Leif Høghaug, 2025-11-11 Part Appalachian gothic part science fiction part Norwegian western The Calf is a darkly comic backwoods phantasmagoria that bends genres until they break in a feat of linguistic experimentation In a subterranean office labyrinth somewhere in Hadeland Norway a mechanical barn gnome with a metal bucket for a head spends his days shredding paper brewing coffee and trying to forget a certain late summer night in the woods sometime in the 1980s That night hazy mythic traumatic centers on the Mare Cooter Canyon and a ragtag bunch of teenage boys calling themselves the cowboys As the narrator's memory crackles and sputters we encounter grotesque archetypes a resurrected Christ like figure called the Dead Feller a mysterious moon faced woman who may be an employment caseworker and a strange amorphous alien called the Calf What happened out there and who or what is telling the story Drawing on the linguistic inventions of Twain and Faulkner translator David M Smith boldly reimagines the rural dialect of Leif Høghaug's original bringing it into a lush inventive Appalachian English The result is a voice that's as haunted broken and unforgettable as its narrator The Calf is a howl from the margins a cracked hymn of language under pressure conceived and written alongside the author's Norwegian translation of Finnegans Wake and unmistakably charged with that book's spirit of dream logic doubleness and rapturous musicality *Focus On: 100 Most Popular WWE Hall of Fame* Wikipedia contributors,

Dog Ghosts and The Word on the Brazos J. Mason Brewer, 2010-06-28 This book contains two volumes of African American folk tales collected by J. Mason Brewer The stories included in Dog Ghosts are as varied as the Texas landscape as full of contrasts as Texas weather Among them are tales that have their roots deeply imbedded in African Irish and Welsh mythology others have parallels in pre-Columbian Mexican tradition and a few have versions that can be traced back to Chaucer's England All make delightful reading The title Dog Ghosts is drawn from the unique stories of dog spirits which Dr Brewer collected in the Red River bottoms and elsewhere in Texas The Word on the Brazos is a delightful collection of preacher tales from the Brazos River bottom in Texas J. Mason Brewer worked side by side with field hands in the Brazos bottoms he lived in their homes worshipped in their churches and shared the moments of relaxation in which laughter held full sway Many of the tales these people told were related to religion both good religion and bad religion Some of them concerned preachers and their families while others were stories told in pulpits Mr Brewer has set all of these stories down in authentic yet easily readable dialect They will delight all who are interested in the historic culture of rural African American Texans as well as those who simply enjoy fine humorous stories skillfully told Evergreen Cipher Atharva R Inamdar, 2021-06-01 A chemist retreats to the wilderness to escape modern chaos only to find himself questioning the fragility of humanity's existence when a mysterious woman and an ancient oak tree open his mind to the truths of nature

Full Ahead Captain John Gibbons, 2024-07-08 Harry Bolton and Jacob Emerson are in their element surfing in the deep Western Pacific It's only when the pair head for home that we learn home is aboard the US Merchant Marine vessel Garcia

loaded with US Marine Corp equipment Harry is the Captain and Jacob his best friend and blood brother is the First Mate The two spend time looking at charts of remote islands and dream about far off surf destinations with endless barreling waves in uncrowded lineups Harry is ashore at the bar with Luana his Filipino girlfriend when a stranger gives him an envelope and leaves Later upon opening the sealed envelope it appears the Pentagon wants to hatch a plot and commandeer the Garcia With the ship s military supplies they want to arm the Philippine guerrilla forces which are fighting the terrorist group Al Ziara who are taking over the island of Mindanao The plot will make it appear that the Garcia has sunk The crew will get off safely except for Harry whose death will be staged A new life and identity to his liking will be provided Harry meets with Captain Bruce Dunbar the stranger who gave him the envelope Harry sees few disadvantages and many advantages to the plan Aboard the Garcia Captain Dunbar s Navy SEAL team plant products that provide the illusion of a fire and one that will spin out of control quickly and blow up the ship Harry orders Jacob to get the crew away in the starboard lifeboat while he steers the ship into the wind and far away from the ship s explosive range of three miles He says he will launch the port lifeboat and join them when it s safe Oblivious to Harry things go fatally bad during the launching of the lifeboat and evacuating the ship From their lifeboat in the pitch black night the crew are silent when they see an explosion destroy what they believe was their home the Garcia and hope for the best for their leader Captain Harry Being Harry s best friend and blood brother Jacob is not convinced that Harry died and that the Garcia sank Many clues arise that offer validity to his suspicions He and his wife Alexita sail deep into the South Pacific to find him Jacob and Alexita have a hunch where Harry might be hiding but those deeply remote islands are fraught with pirates bandits and thieves The circumstances arise where Harry and Jacob will have to join forces to survive Through those odds and formed cooperation of survival Jacobs s goal is to bring Harry back to the USA and have him testify before a grand jury on what really happened that fateful night when the Garcia supposedly sank Harry believes the CIA will kill him if he attempts to testify He has no such plan and will do anything to avoid that very scenario This book is an exciting tale of deep state secret plots It will take you aboard a government ship sailing vessels diving and surfing and a journey throughout the world s oceans Every chapter ensures that the reader is fully immersed in the water and the suspenseful truth behind the mysterious top secret sinking of the ship that the two blood brothers once called home Harry and Jacob are like two tightly twisted yarns intertwined deep within the strands of a strong length of rope However constant tension and excessive weight could break apart the strongest of any rope
