**Love Them to Death** Timothy Oliver Stoen, 2017-03-09 Love Them to Death is a memoir of my experiences as the attorney enemy and postmortem target of James Warren Jones who on November 18 1978 in Jonestown Guyana unleashed in the name of love terror and death It tells how this ordinary man Jim Jones having captured the souls of kind and decent people got them to assassinate a US congressman and incredibly got them by the hundreds to kill themselves and their children The mass suicides and murders in Jonestown Guyana said pollster George Gallup was the most widely followed event of 1978 By then Jim Jones had become a Molotov cocktail The container was Jones s absolute power the flammable liquid was Jones s malignant narcissism The wick was Jones s genius for mind control The CIA would have had to acknowledge said Stanford psychology professor Philip Zimbardo that Jones succeeded where their MK Ultra program failed in the ultimate control of the human mind Love Them to Death is the same book as Marked for Death published in 2015 but with a new title new cover amplifications and new photographs My journey began in Redwood Valley California in 1970 when I self recruited into a utopian movement called Peoples Temple in order to pursue Biblical socialism Acts 2 I became the pro bono lawyer for Jones for 7 years Jim Jones eventually became what the Washington Post called a West Coast Power with a remarkable gift for winning over the most sophisticated people in politics On November 18 1977 I testified in court and went to war against Jones By then he had moved to Jonestown I turned on Jones because I d learned he was denigrating to a five year old child John Victor Stoen then in Jonestown his mother Grace Even though I believed then that Jones was the biological father and had promised to protect his paternal access he was violating the moral law to honor thy mother which superseded my promise I later came to realize that I was the biological father of the child During that one year war for John Victor I made two trips to the then wired country of Guyana and in California I braced every time the doorbell rang for a pistol or shotgun shot to the chest Finally on that November 18th the journey took a petrifying turn Jim Jones went for the Orwellian kill He killed 907 of his people by cyanide and orchestrated the deaths by gunfire at the nearby airstrip of US congressman Leo Ryan and four others Among those he took out by the poison was six year old John Victor Stoen Structurally this book traces the development of Jim Jones as I experienced it from 1967 through 1979 through fourteen stages Based thereon it includes a letter I wrote to the FBI to try and stop the 1993 Koresh bloodbath and mass suicide in Waco Texas On the day he died Jim Jones exhorted his followers to see that Stoen does not get by with this infamy His agents proceeded to accuse me falsely of manipulating the 1975 San Francisco mayoral election won by George Moscone over John Barbagelata and then arranging to become special voter fraud prosecutor to cover up my crime That same day Jones made a prophecy

Tim Stoen he ll destroy himself It took nine years to undermine that curse I have three reasons for writing this book The first is to encourage healthy suspicion of authoritarian power I want to show how leader are corrupted by absolute power and how they use charisma and demagogic oratory to acquire that power The second reason is to encourage realistic approaches to fighting evil I want to give evidence for M Scott Peck s position that evil people can be dealt with only by raw power My third reason is to give hope to people who like me have made huge mistakes in their lives Recovery is possible After all of my unbelievable mistakes it is a miracle that I should now find myself alive sane and vital It is unquestionably due to something outside my control     *A grave for the devil* Ann Marie Conklin,2023     **The Devil's Project** Nicki Naylor,2013-05-10 This is a story of my sad life that has a black cloud hanging over it It never leaves me Some people say I am a Jinx Others say I am Cursed Some will even debate the thought of Karma or try to tell me that we are in control of our own destiny and that I must have put myself in this situation Well I say I must be the Devil s project and if God will not save me then I will have to save myself somehow I am curious to know who s going to win My survival is my project and it feels like a never ending battle I will not give up without a fight when I have everything to fight for my children So this is my life What might sound like complaining to you is my everyday pain and suffering This thing we call life I call Hell     *Memoirs of a Printer's Devil, Interspersed with ... Local Descriptions, Etc* MEMOIRS.,1793     **One Step Ahead of the Devil** S. M. Hausen,2012     *The Devil Thought He Had Me! Vol. II* Wendell White,2021-06-09 POW POW POW I m laying in the trunk of this car bloody from the beating I ve just taken While laying here crying in pain all I can think about is my 19 month old son After praying I wiped my tears with the bloody shirt and was ready to deal with whatever the consequences were for my sinful behavior Then the car stopped I heard the doors open then close I scooted all the way to the back of the trunk because I thought that they were going to shoot the car up then set it on fire Then I heard the trunk pop     *A Devil in Paradise* Henry Miller,1963
