**APEC at 20** K Kesavapany,Hank Lim,2009 Spanning 20 years of history the achievements of APEC may seem uneventful in the eyes of some observers Yet careful deliberation will point to APEC s many remarkable high points as well as some of the challenges The foundations of APEC were set in place about 40 years ago based on the achievements of the Association of Southeast Asian Nations ASEAN and the Pacific Economic Cooperation Council PECC One of the cornerstones of APEC s vision is to achieve a free and open trade area among its member economies This vision is anchored in the Bogor Goals that remain the centrepiece of the APEC process The Bogor Goals represent a cause for celebration as well as angst Celebration because the region has moved towards achieving a much more liberalized environment of trading and investment since 1989 angst because the deadlines for achieving the goals have not yet been fully realized Today APEC embraces many of the world s dynamic developed and developing economies that are better poised to meet the new challenges of this century For those seeking to get a quick sweep of APEC this book recalls reflects and provides enough food for thought on the possible remake of APEC The chapters are carefully written by experts who have been directly involved in the APEC process one way or another The invaluable insights serve to place the whole APEC process in a balanced perspective yet with candid deliberations

[ASEAN Economic Community and Beyond](#) Sanchita Basu Das,2016-04-29 The year 2015 has special significance for regional economic integration The ASEAN Community integrating the political economic and social aspects of regional cooperation will complete its first milestone by December 2015 Expectations of tangible benefits under an ASEAN Economic Community have attracted much attention though many of the initiatives will be realized post 2015 Following the policy of open regionalism ASEAN has also signed free trade agreements with Australia New Zealand China India Japan and South Korea It has launched negotiations for the Regional Comprehensive Economic Partnership RCEP agreement in 2013 with expected breakthrough by end 2015 The Southeast Asian economies are also involved in two other regional initiatives First is the Trans Pacific Partnership TPP initiated by the United States As part of the U S e pivot to Asiae the TPP is envisioned as a e comprehensive and high qualitye agreement and has concluded its negotiation in October 2015 Second the discussions on regional connectivity have broadened China has emerged as a recent lead proponent with its proposals for e One Belt One Roade and the Asian Infrastructure Investment Bank All these together have implications not only for individual Southeast Asian countries but also for regional trading architecture To aid in understanding the beginnings development and potential of these grand plans this collection of 22 essays offers a rich analysis of ASEAN s own economic integration and other related initiatives proliferating in the broader Asia Pacific region
