International Migration Outlook 2017
 Organization for Economic Cooperation and Development, 2017-06-26. The International Migration Outlook 2017, the 41st edition of this annual OECD publication, analyses recent developments in migration movements and policies in OECD countries and selected non member countries. Where relevant, it examines the impact of the recent increase in humanitarian migration. It looks at the evolution of the labour market outcomes of immigrants in OECD countries with a focus on the medium term dynamic of employment outcomes and on the implications of structural changes in the labour market. It includes one special chapter on family migrants looking at this important part of migration and the policies that govern it. A statistical annex completes the book.
