Abortion A Rational Look At An Emotional Issue:

Abortion Robert Charles Sproul, 2010 It has been nearly forty years since the Supreme Court made abortion on demand legal in the United States but the issue continues to divide Americans Complex theological ethical and legal questions all come into the debate This is a balanced consideration of the arguments in the abortion debate but also a firm and clear call to renewed respect for human life in the womb *Abortion* R. C. Sproul, 2022-11-15 In this book Dr R C Sproul employs his unique perspective as a highly experienced pastor theologian and a trained philosopher to provide well considered and compassionate answers to the difficult questions that attend termination of pregnancy Dr Sproul strives for a factual well reasoned approach informed by careful biblical scholarship He considers both sides of this issue in terms of biblical teaching civil law and natural law This edition includes a new foreword by Dr George Grant and has been updated to reflect developments in the issue Appendixes provide further background on the issue of when life begins and list sources for pro life resources **Abortion** James C. Galvin, Michael Beates, Robert D. Ingram, 1990 **Abortion** Robert C. Sproul, 1990

Evangelicals and Abortion J. Cameron Fraser, 2024-04-18 *Evangelicals and Abortion* traces the history and theological development of evangelical involvement in the abortion issue and recommends some models of a biblically based response with particular attention to the United States in the wake of the reversal of Roe v Wade in 2022 **HEALTH ALONG THE WAY** Jane Amelia Smith, 2024-12-02 Health is on a continuum One day we have it while the next day it is lost to us Often during times of illness or injury we begin to ask the hard questions Why did this event befall me or my loved one Why did God let this happen Am I hurting because I have sinned and will God heal me if I pray Always the answers lie not so much in the concrete and visible but rather in the spiritual and the invisible The medical health care delivery system can do much to relieve our pain and suffering but the answers to our questions come from God alone Only the Triune God can deliver us from the overwhelming pain and worry that consume us during these times It is through God that we find well being and with well being we can rise above all our circumstances In this book we will explore God s prescription for good health the development of our modern public health care system and how God can use even poor health to guide our souls back to Him

A Love for Life Dennis R. Di Mauro, 2008-06-20 Is abortion ethical The answer to this question is often obscured by rhetoric slogans and politics And the media message on abortion is often of little help When the typical American opens up her morning newspaper she sees the topic debated between pro lifers and pro choicers but receives little information that could help her make an informed moral decision And as she reads further about the subject it seems that the Christian church often an ethical guide in many of her decisions is of no use to her Sadly she is told that the church is just as divided as the rest of society on the topic So our average American is left to fend for herself She must somehow decide the right answer with little guidance from society from the church or even from God himself But is our average American really without guidance Has she gotten all the information she needs about abortion or has she received only the five second sound bite that

leaves her as confused as she was before she heard about the abortion debate And has God been silent on the abortion question Has the church really shown a diversity of opinion on the sanctity of life A Love for Lifewill provide Christians with the biblical and historical information that they need to make an informed decision on the abortion question It will also take a critical and biblically based look at the arguments and theologies of today s most prominent pro choice clergy And it will determine if abortion really fulfills the will of God as many pro choice Christians believe or whether abortion is a clearly sinful act In short readers of A Love for Lifewill discover the realmessage of the church on abortion **Before the**

Shooting Begins James Davison Hunter,1994-03-28 Addressing America s cultural conflict about such issues as abortion homosexuality and family values the author presents a plan in which America can achieve a renewed democracy despite these differences *Pro-Life Pulpit* Stephen Tu,2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners *Biblical Counsel* ,1993

Evangelical Dictionary of Theology Walter A. Elwell,2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **Abortion Decisions of the United States Supreme Court** Maureen Harrison,Steve Gilbert,1993 The third volume of a three volume history of abortion decisions *Where Is the Evangelical Church?* Tim den Bok,2017-07-20 This little book is a clarion call to the Evangelical Church of Canada to respond to the plight of the preborn Drawing upon Scripture the testimony of contemporary evangelical leaders and church tradition the author sets forth a case that the mass shedding of innocent blood such as is the case with the legalized practice of abortion in Canada is an emergency that calls for extraordinary action by the Church **Abortion Decisions of the United States Supreme Court: The 1980's, Harris v. McRae, Williams v. Zbaraz, H.L. v. Matheson, Akron v. Akron Center, Planned Parenthood v. Ashcroft, Simopoulos v. Virginia, Thornburgh v. American College, Webster v. Reproductive Health Services** Maureen Harrison,1993 Volume 1 of a three volume history of abortion decisions The Human Life Review ,1994 *Christianity Today* ,1990 *Abortion* Charles P. Cozic,Stacey L. Tipp,1991 Presents opposing viewpoints on the legality morality responsibility for and justification of abortion Includes critical thinking skills activities *Shedding Light on Our Dark Side* Charles R. Swindoll,1998-09 This Bible study guide brings some of today

s tough issues out of the closet for an honest sensitive look from a biblical perspective The lessons address what Christians can do when sin rears its ugly head and threatens to break relationship with God The Sanctity of Human Life Richard Seefried,1995 **The Curriculum and Small Group Resource Guide** Judy Hamlin,1991
