Bryant, Kouider Mokhtari, 2020-07-29 Building upon the theoretical and practical foundation outlined in their previous book *Educating English Learners* the authors show classroom teachers how to develop a repertoire of instructional techniques that address K-12 English learners ELs at different English proficiency and grade levels and across subject areas. *Show Tell Build* is organized around two decision maps for planning and implementing differentiated instruction for ELs: the Academic Subjects Protocol for teachers of academic subjects and the Language Arts Protocol for teachers of language arts. The instructional tools and techniques described in each chapter help teachers provide communication support for ELs through showing and telling and develop their language proficiency through building their skills. The book also discusses the demands that academic language poses for ELs and ways to assess students' proficiency in English. *Show Tell Build* provides classroom teachers, English language development specialists, literacy coaches, and school leaders with valuable knowledge and skills to support ELs' academic success.

**Teaching and Supporting English Learners: A Guide to Welcoming and Engaging Newcomers** Eugenia Mora-Flores, Stephanie Dewing, 2022-12-16 Learn how to best support English learners and address the needs of newcomers. This professional book provides step-by-step strategies for teachers of ELs. Written by Eugenia Mora Flores and Stephanie Dewing, this book offers practical tips to help teachers bring English language instruction into any classroom. With this meaningful resource, teachers will meet English learners' diverse needs and make newcomers feel safe and welcome.

**Academic Literacies in the Middle Years** Sally Humphrey, 2016-11-18 The professional learning framework this book presents is designed to support teachers' understandings of how language functions in their academic disciplines. This framework, a 4 x 4 metalinguistic toolkit, is informed by systemic functional linguistic theory and international educational research on academic and disciplinary literacies. The book shows and explains how teachers have applied specific 4 x 4 toolkits with students in middle school classrooms across a range of subjects for curriculum literacy instruction, assessment, and feedback, resulting in substantial growth for their students in high stakes national tests of literacy as well as writing assessments in a number of subjects. In its focus on disciplinary literacies in diverse sociocultural settings, *Academic Literacies in the Middle Years* responds to contemporary international curricula for English language and literacy and the need for a strong evidence base for professional learning design.
